Pipers Seeking First District Win Friday Night; to Play at Haskell

The Pipers will be going for their first district win Friday night when they take on the Haskell Indians in a game to be played in Haskell. While there does not seem to be much rivalry generated here for a game with Haskell, the Indians hold a 12 to four edge in victories over the Pipers in games played during the past 20 years.

The Pipers last beat the Indians in 1960, losing the last three in a row.

The Pipers were getting back on the winning trail last week by defeating the Cisco Lobos, 13-6, while the same night the Indians were taking it on the chin from the Stamford Bulldogs, 32-0.

Both teams seems to be completely out of the district race, both teams need a win Friday night in an effort to avoid the district cellar. The Pipers are 0-2 in district and 4-2 for the season. The Indians are 1-2 in district and 5-2 for the season.

The Indians will field a senior ball club with 10 of their offensive starters being seniors. They run from the Denver City with the backs in tight and splits in the line.

It is not known whether their quarterback, Joe Jesselet, will be able to play this week or not. He was hurt before the Stamford game and was hurt again in the game last week. He is the fastest boy in district, having run a 9.9 last year in regional.

State Director Speaks to Area Teachers Here Monday Night

The Jones County teachers meeting was well attended here Monday night as Hamlin High School hosted the group. Approximately 160 teachers of the 200 teachers in the County were present.

E. L. Galyean, director of research for Texas State Teachers Association, of Austin was the speaker.

He discussed the present legislative program in regard to salary increases for teachers. He noted the slogan "45 for 65"

was being used in the effort to obtain a \$45 per month increase. He mentioned that 60% of the teachers who were the breadwinners in the family were having to seek part time employment to support their families. The raise would bring the minimum wage for a B.A. degree to \$4420 per year.

Also mentioned was the proposal of an established sick leave in the State program.

Galyean discussed the poverty program on the national level following his experience with research in this field during the summer. In his opinion the only way these people can be helped is through education and training.

The Homemaking department served coffee following the program.

Representatives from Avoca, Anson, Stamford, Lueders, Needle-Horn, Hawley and Hamlin attended.

Jerry Hamrick of Anson is president of the group.

Other officers are Thurman Hagler of Lueders, vice president; Don Howard of Stamford, second vice president; Durrell Wilson of Anson, secretary; Van Rutherford of Hawley, treasurer.

The next meeting will be Feb. 15 at Avoca. The Apr. 26 meeting will be in Anson.

H. S. Turner, 87, Dies at Home Here Rites Held Wed.

H. S. Turner, 87, died at 3:30 a.m. Monday at his home in Hamlin.

Funeral was held at 2 p.m. Wednesday at the Oak Grove Baptist Church with the Rev. U. L. McPherson of Hamlin officiating. Burial was in the Hamlin East Cemetery.

Mr. Turner had been janitor for West Texas Utilities Co. here from 1929 until 1962 when he retired. He was born Jan. 6, 1877, in Burleson County, and married the former Erle Wilson in Hamlin Nov. 12, 1937.

He was a past master of the Ebenzer Lodge No. 1,000 and was past district deputy grand master of the lodge.

Survivors are his wife; one son, Ernest of Lovington, N. M.; one brother, John of Mansfield; four sisters, Mrs. Mary Holland of McCauley, Mrs. Millie Eaton and Mrs. Alice Wade, both of Bryan, and Mrs. Lula Curry of Los Angeles; three grandchildren and five great grandchildren.

Masons served as pallbearers.

Mr. and Mrs. Billy Kinsey of Imperial are parents of a boy, James Mark, born Oct. 14, weighing 8 lbs. 8 oz. Mr. and Mrs. Claude Faulkenberry are the paternal great grandparents. The great grandmother is Mrs. W. E. Rogers. Mrs. Kinsey was the former Kay Edmondson of Imperial. The baby is the first boy in the Edmondson family in 50 years.

McCauley Junior 4-H Holds Cooking Demonstration

The McCauley Junior 4-H Club met Oct. 13 at the McCauley Homemaking Building for a cooking demonstration for the boys and girls.

Sue Smith gave a demonstration on making peanut brittle for the girls. Bobby Smith and Phillip Maberry gave the boys demonstration on making brownies.

The candy and brownies were served to 16 members and the leaders, Mrs. Jerry Maberry and Mrs. W. D. Cleveland.

The next meeting will be Oct. 27 when sewing for the girls will be held. Mr. Norman will direct a demonstration of interest to the boys.

Stockmen Warned to Watch for Grass Tetany by County Agent

Stockmen are being cautioned to watch for grass tetany, a cattle ailment that sometimes pops up in fall and winter.

Jones County agent, Kirby Clayton says small grasses as oats, wheat, barley and rye are capable of producing the sickness, particularly after rain. Common and Coastal Bermuda and mesquite grass also can cause the trouble.

The disease is believed to be the result of an imbalance in body magnesium. Changing cattle from dry grass to lush winter pastures, or sudden temperature changes can encourage grass tetany.

It's most likely to occur in the older, more mature cow that has just calved or is near calving, the agent says. It also is known to occur in yearling calves that have just been put on lush pastures.

The condition is characterized by lack of coordination, muscular tremors, excessive

drooling and teeth grinding. Symptoms end with convulsions and coma six to twelve hours after first signs.

Treatment is largely ineffective once the animal reaches coma. Clayton explained. But intravenous injections of various magnesium and calcium salts with dextrose is beneficial before coma.

Removal of cattle from lush pasture is the obvious prevention if grass tetany is suspected. However, they can usually be left on the grass if they are supplemented with coarse, dry roughage.

The agent says that California has suffered large cattle losses from grass tetany. The problem has become so serious that the California Agricultural Experiment Station has developed an emergency ration which will prevent the ailment. The ration is magnesium oxide, milo or corn, and cottonseed meal and is fed at the rate of one pound per animal per day.

A. L. Gamble Buys Used Car Business

A. L. Gamble, now sole owner of M & G Used Cars, announced this week that he had purchased the interest formerly owned by L. V. Miller.

Gamble, a resident of Hamlin since March, 1963, was formerly associated with a Ford agency in Hollis, Okla. He is a member of the Lions Club and is now serving on the board of directors.

Mr. and Mrs. Gamble are members of the Church of Christ. They have two sons, Gary, a teacher in Aztec, N. Mexico, and Danny Bob, a junior at Southwestern State, Weatherford, Okla.

FUND DRIVE SET HERE WEDNESDAY—Young children receive milk at one of the school feeding programs conducted by Church World Service in Latin America. Some CROP contributions pay for the distribution of government-donated foods such as dry milk which CWS exports to needy people.

Hamlin Youth to Hold Fund Drive For CROP Here Wednesday Night

Youth of Hamlin will join together in a united drive for funds for CROP here Wednesday evening, Oct. 28. The drive is being planned by the Ministerial Alliance and all young people are invited to participate.

Through CROP drives last year the young people of Texas collected over \$57,000 which helped to provide 98,267,600 pounds of government donated food and other CROP shipments not otherwise available for the overseas ministry.

October 19-31 is Proclaimed 'Food Is A Bargain' Month

WACO — "Food Is A Bargain" time will be observed in Texas October 19 through 31 by official proclamation of Governor John B. Connally.

Leslie L. Speir of Groves, president of Texas Retail Grocers Association, said the Governor's proclamation recognizes the achievements of food producers, manufacturers, wholesalers and retailers during the past two decades.

The "Food Is A Bargain" campaign is being conducted on a nationwide basis by the food industry.

The Governor's proclamation cited the fact that "consumers in 1964 spend only 19 cents of the after-tax dollar for food, the lowest percentage required for adequate food in history".

"The food industry has worked diligently to bring the consumer better foods and fairer prices and is so doing has rendered the highest degree of service and provided for the welfare and well-being of all our people," Connally said.

Robert E. Crozier, executive vice president of the 6,000 member Texas Retail Grocers Association headquartered in Waco, expressed "sincere appreciation and gratitude for this recognition of our industry."

Debbie Elmore won first in the Junior Division of the barrel race at Aspermont in the second go round and first in the average Saturday, Oct. 17.

Fred B. Moore Jr., 44, Dies Unexpectedly Wed.

Fred B. Moore Jr., 44, prominent businessman and community leader, died unexpectedly at his home at 2 p.m. Wednesday following a heart attack.

Mr. Moore, owner of Moore Elevator, Pied Piper Mills and Pied Piper Farms, served the community as president of the school board since 1953, was president of the Hamlin Board of Community Development in 1959, and was vice president and chairman of the agriculture and livestock committee when the BCD was re-organized in 1958.

An active member of the First Baptist Church, he served as chairman of the building committee for the new church building completed in 1962 which includes the chapel, auditorium, offices and classrooms.

He was serving this year as vice president of the National Anxiety 4th Hereford Association. He was a past director of the Texas Hereford Association.

Punt, Pass and Kick Results

Scores of participants in the Punt, Pass and Kick event held Oct. 10 have been sent in to be placed in competition with other boys in the 8-11 age group through the state.

Winners in the local contest, sponsored by Connally Ford Sales and the Hamlin Jaycees, are as follows:

Eleven-year-olds: 1. Guy Wilder 2. Charles Sellers 3. Harold Gruben 4. Jim Clifton.

Twelve-year-olds: 1. Wayne Miller 2. Doug Elliot 3. Brad Stalcup 4. Eddie Martenes.

Ten-year-olds: 1. Rickey Rodgers 2. John Stalcup 3. Gary Batchelor 4. Sammy Martinez.

Nine-year-olds: 1. Timothy Lewis 2. Larry Jayroe 3. Tommy Gabriel.

Eight-year-olds: 1. Ronald Maberry 2. Steven Mackey 3. Stanley Colley 4. Danny Lujan.

Forty-three boys were entered. The winners in the 11-12 age group received plaque trophies. The eight, nine and ten year-old group received warm-up jackets for first place, place-kicker kit for second, autographed football for third, and a football for fourth.

Baptist District 17 Holding Final Meet In Abilene Today

The final meeting of District 17 of the Baptist General Convention of Texas is being held today (Thursday) in Abilene at Southside Baptist Church.

The Baptist associations in the District 17 area are being reorganized and will be known as the "Double Mountain Area". Each association is affiliated with the area and representatives from each make up the committee. The associations are Haskell-Knox, Jones, Fisher and Stonewall-Kent.

Rev. Byron Bryant, pastor of the First Baptist Church, is a member of the committee.

L. L. Trotter, previously district missions secretary for District 17, has been named missionary to begin his work Jan. 1, 1965, and plans to set up area offices here.

Featured speakers in today's meeting will be Dr. James H. Landes, president of Hartin-Simmons University, who will present the annual sermon at 11:25 a.m.; Dr. Hooper Dilday of Dallas, director of church service division of BGCT; and Dr. Henry Ward, area coordinator from Dallas, speaking on "Area Plan in Action".

Mrs. Charles Scott, Mrs. L. R. Fowler and Mrs. Joe Lewis attended an English workshop in the high school at Wichita Falls last Saturday.

Theron D. Rogers of Chula Vista, Calif., visited his mother, Mrs. W. E. Rogers, recently.

FRED B. MOORE JR.
... Heart attack fatal

and past director of Texas Grain and Feed Dealers Association.

Mr. Moore was also a donor to the Cattleman's Roundup for Crippled Children at the West Texas Rehabilitation Center, Abilene.

Born Nov. 17, 1919, in Hamlin, he was the son of Mr. and Mrs. Fred B. Moore Sr. Following graduation from Hamlin High School in 1937, he attended New Mexico Military Institute, Roswell, New Mexico. He was a senior at Baylor University.

C. F. Cook Reelected To League Council

Mr. C. F. Cook, superintendent of Hamlin Public Schools, has been reelected to membership on the Legislative Council from Region I, Conference AA of the University Interscholastic League.

His term will be from Oct. 10 to Aug. 31, 1968, according to R. J. Kidd, director of the University Interscholastic League.

Mr. Cook will be in Austin Nov. 1 for the meeting of the Legislative Council.

Mr. and Mrs. Kenneth Jack Powers of Clyde are the parents of a girl born Oct. 13 at 9:17 p.m. She is named Julie and weighed 9 lbs.

October 25 Through 31 Proclaimed As Cleaner Air Week Over Nation

You may be able to choose the water you drink and be selective about your choice of food, but whatever air is around you is the air you are going to breathe.

As a matter of fact, you automatically breathe about 80 pounds or 15,000 quarts of whatever air is available each day, while you only eat about three pounds of food and drink at most about four quarts of water.

A healthy mind and body requires clean, fresh air. This fact coupled with the growing air pollution problem caused by an ever growing human and industrial population is causing a growing concern about the state of our air.

And because of this concern, President Johnson set aside October 25 through 31 as Cleaner Air Week.

This is an excellent period for all of us to evaluate the air cleanliness of our communities. If it's not all that it should be, then it is time to evaluate the efforts the community is making to control air cleanliness.

It isn't only the big industrial cities that have difficulties. A Texas town that has any kind of industry—chemical plants, petroleum refineries, cotton gins or such—may have air pollution without realizing it. Should there be such a problem, it certainly would be well to take inventory of the efforts your community is making in your behalf, regarding cleaner air.

Already there is much study and effort being done in Texas

sity when he entered service, serving in the Air Transport Command. During three and one-half years of service, he was stationed in Montana and in Canada.

He was married to the former Bernice Bogden of Great Falls, Montana, Jan. 16, 1944.

Funeral arrangements will be announced from Hamlin Funeral Home Thursday morning.

Survivors include his wife; his parents; and four children, Fred Barry, a sophomore at Texas University, Austin, Robert B., a sophomore at Hamlin High School; and twins, Christopher David and Anna Patricia, first grade students.

Jerry Pritchard CB Club Prexy

The Air-Ways CB Club met Monday, Oct. 19 for their regular business session and also elected new officers for the coming year.

Jerry Pritchard was elected president; Glen Williams, vice president; Sue Cooper, secretary; and Mrs. Lelton Jackson was re-elected to serve as treasurer. Spencer Liles is outgoing president and Delton Jackson outgoing vice president. Liles was re-elected to serve as public relations chairman.

The radio club, organized a year ago, has been very active and has grown quite rapidly. Total membership has been as high as seventy representing five counties. A drive is underway to get the club registered with ACBA, a national radio club.

An officer installation banquet will be held at the Cliff House in Stamford, Monday, Nov. 16.

Membership is open to anyone who is interested in CB radio. Members are always happy to demonstrate a set to anyone interested. Radio enthusiasts are enjoying extremely good conditions for radioing at this time of the year; extended range with very little static and interference.

to evaluate and remedy some of the air pollution problems.

The State Department of Health has completed its part in a national air pollution appraisal.

In addition, the Health Department, through the cooperation of local health units, and the National Air Sampling Network of the Public Health Service, maintains twenty-four air sampling stations in points of highest population around the State.

Air samples collected at these stations are analyzed for degree of pollution loading and radioactivity.

One city and two counties have their own private programs for studying air pollution. And several have an air pollution committee.

Every cleaner air program needs the individual support of all its citizens. What do you know about the air you breathe?

McCauley Pep Squad Planning Hamburger Supper

The McCauley Pep Squad is having a hamburger supper Friday night after the football game. Tickets are 50c per person.

Jeanne Acklin was chosen McCauley High School sweetheart and Eddie Smith hero at the McCauley homecoming.

The mascots were Judy Jeffrey, Sheila Jeffrey, Andy Acklin and Max Kemp. Escorts were Eddie Smith and Ronnie Jeffrey.

FROM OUR FILES

FIVE YEARS AGO:

Not only will Hamlin be the site for the fifth annual homecoming of ex-students of Hamlin High School, but an outstanding rodeo show is slated Saturday afternoon by the Hamlin Riding Club at its arena in the north part of town.

Mayor L. H. McBride has officially proclaimed the week of October 4 through 10 as National Business Women's Week in Hamlin, being sponsored locally by the Hamlin Business and Professional Women's Club.

Mrs. Byron O. Bell was elected new president of the Hamlin Women's Golf Association when members of the group met at the home of Mrs. M. L. Smith last Saturday.

TEN YEARS AGO:

Nearly an inch of rain, the first rain in several weeks, fell in the territory first of the week.

Linda Kay Hatson, 11-year-old Hamlin polio victim, died Sunday in an Abilene hospital.

Radio equipment is being installed in mobil units of the City of Hamlin that that will save many hours of time, city officials believe.

John Herrera, nine-year-old boy working in a cotton patch north of Hamlin, died of a rattlesnake bite Sunday afternoon.

Fire losses in the city are running less than those of last year, declared Fire Marshall T. E. McGuire.

FIFTEEN YEARS AGO:

Area cotton gins are humming now as cotton moves in earnest from the fields. Good yields are reported in most sections.

Jackie Wasson, four-year-old

son of Mr. and Mrs. R. B. Wasson, sustained a fracture of his leg last Saturday when playing at an oil rig near Hamlin.

Hamlin section is getting several new paved roads in the expansive State Highway Department's farm-to-market road program that is underway over the state.

Mr. and Mrs. Cliff Driggs are guests this week of relatives at Odessa.

Rev. J. H. Whitaker of Vernon, formerly pastor of the Hamlin Church of the Nazarene, was here this week visiting friends.

Mr. and Mrs. Robert W. Patrick of Norfolk, Virginia, are visiting Mrs. W. H. Gilbert, Mr. and Mrs. J. W. Ezell and Mr. and Mrs. J. A. Morris this week end.

Mrs. M. P. May visited her niece, Mrs. Cecil Saxon, and Mrs. Delia McIntosh and Mrs. Tate May in Abilene last week.

Milton Tansey of Mineral Wells was here Sunday and Monday visiting old friends. The Tansey family, one of the pioneer families of Hamlin, moved to Beaumont several years ago. Milton is connected with the Baker Hotel at Mineral Wells.

Mr. and Mrs. Jack Johnson of near McCauley are moving to Fort Worth to make their home.

Hamlin Pied Pipers won their first football game two weeks ago from Lueders 13 to 0. Friday night the locals defeated the Abilene B team 26-7.

FORTY YEARS AGO:

The new brick highway from Mineral Wells to the Parker County line has been completed, giving a surface highway all the way from Mineral Wells to Dallas by way of Weatherford. This means one more good motor route open in time for the State Fair of Texas, Dallas, Oct. 11-26.

PARENTS' RESPONSIBILITY

"Train up a child in the way he should go: and when he is old, he will not depart from it." Proverbs 22:6

Ask anyone what his most precious possession is, and he will almost invariably say, "My children." The desire for the welfare of our children enables us to "move mountains". We will do anything, give them anything, if we think it will help them.

The one most important thing we can do for them, however, is to instill in them a love of God, and a desire to obey him. The church can help you in this endeavor, inspire and strengthen you. We invite you to take your family to church this week. It may make a great difference in the life direction taken by your children.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

when Cisco intercepted a pass in the end zone. The Lobos scored early in the fourth period. The win makes the Pipers 4-2 for the season with their non-conference record 4-0 and their conference 0-2. The Piper attack was well balanced with 133 yards on the ground and 104 yards in the air. Top flight ground gainer for the night was Johnny Overman with 49 yards in 8 carries. He was followed by Robert Pearce with 47 yards in 15 carries. Cisco's Jimmy Brown with 39 yards in 14 carries. In the passing department, Jummy Ferguson connected on 6 of 11 passes for 89 yards. Pearce completed one of 10 for 15 yards and a touchdown. He had four intercepted. Overman tried two unsuccessful passes. Linebacker Larry Simpson, playing defense only because of his bad knee, was outstanding for the Pipers making several key stops to kill Lobo drives. The first Piper score came on their first possession of the

ed to Nicky Lopez for 35 yards and the score. Their kick was wide. Cisco took the opening kick-off and moved the ball 11 yards in six plays before punting to the Pipers. Moving from their 35 the Pipers sent Allen Cumbe into the line for 1 and then Pearce ripped off 12. Pearce carried again for 5 and Hamlin picked up a first down on the Lobo 42 when Cisco drew a five yard penalty. Pearce missed on a pass and Ferguson connected with Shivers for a play good for 27 yards to the 15. Overman carried for 3, Pearce for 2, but then a five yard penalty put the Pipers back where they started from. On third down and needing 15, Ferguson passed to Ledbetter for 9 yards and Pearce picked up the first down just inches short of the goal. The Pipers drew a five yard penalty again. Pearce gained 1, Cumbe 2, and then Pearce went around his right end for the score. Cisco returned the kickoff to their 43 and drove to the Piper 30 in 10 plays before giving up the ball on downs. After five plays the Pipers punted with Cisco taking over on their own 22. Two dead ball fouls and a incomplete pass forced Cisco to punt from their own 10. The Pipers took over at the Lobo 40 and Pearce gained 3, Overman 6, and Pearce 1 for a first down. Ferguson kept for 8 and Cisco was penalized 15 yards and Hamlin 5. Operating from their 15, Ferguson tried a pass, Overman was stopped for no gain and Ferguson passed incomplete again. Facing fourth down, Pearce went back to pass and was chased all over the field before he found Ledbetter in the open. The scoring play was good for 15 yards. Neither team could get a drive going during the remainder of the first half. The Pipers opened up the second half with a drive that carried them to the Lobo 9 before Cisco intercepted a pass by Pearce intended for Mike Shivers in the end zone. Shivers and the defender both had their hands on the ball but the Cisco moved from the 20 down to the Piper 15 yard line. Cisco moved from the 20 From this point the Lobos were facing fourth down and needing 2 when the Pipers threw their quarterback for a 10 yard loss back to the 25. After this Hamlin punted, Cisco fumbled and Hamlin lost the ball in an interception with neither team making any headway. Taking over on the Hamlin 47 following the interception,

By Judy White The Variety Club met Tuesday afternoon in the home of Mrs. Beno Herttenberger. Games of 84 were played. There were nine members present with two visitors, Mrs. J. C. Gholson and Mrs. Bill Tipton.

Next meeting will be held on Tuesday, Oct. 27, in the home of Mrs. Charlie Letz at 2:00 p.m. Mr. and Mrs. Charles Goddard and children, Donnie and Dale Gene, of Abilene visited with Mrs. Goddard's mother, Mrs. Adele Dudensing, last Saturday. Air Condition Your Home Now...

Right now, during our "off season" we can, quite frankly, afford to figure your job with an especially fine pencil. We need low profit work to keep our valuable trained crews together. So this is an especially good time for you to call us for an estimate. As a further incentive we can pass along to you a wonderful bargain made available to us by Carrier—a fine Carrier food freezer that normally sells for \$149.50, free with every residential air conditioning system ordered now.

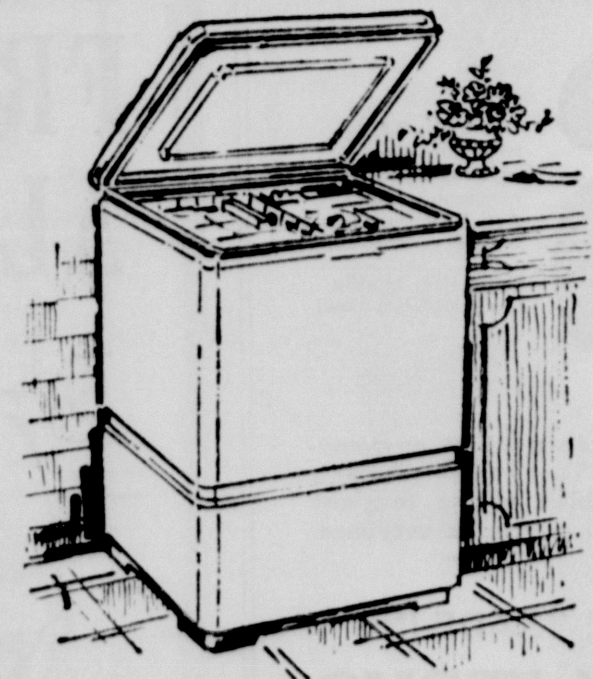

Fabulous Off Season Bonus

FREE FOOD FREEZER

A compact, 4.5 cubic foot Carrier countertop freezer can bring you kitchen convenience to go with your kitchen comfort.

How can we make such an offer:

1. Off-season business which keeps our installation crews busy is especially valuable to us. We're willing to make special concessions.
2. The Frostmaster Division of Carrier makes these freezers by the thousands. We can buy them at a special low price in carload lots.
3. Carrier and our distributor are sharing in the cost of the freezer because they like off-season business, too.

No money down • Easy terms

Kathy Ponder Elected President Cheerful Bluebirds

The Cheerful Bluebirds met at the Hut Thursday, Oct. 15, and elected the following officers: Kathy Ponder, president; Georgia Deaton, vice president; Nancy Thompson, secretary; Paula Herrera, treasurer; Denise Preiss, reporter; Carla Stanford, song leader and Sharon Embrey, Hut keeper.

The social committee is composed of Suzy Harmon, Gayla Walton and Debra Woolf.

Carolyn Stanford, Vickie West and Sharon May are on the telephone committee.

The girls are now preparing for a fly-up ceremonial to be

held in the near future.

Mrs. Miller Harman, leader, and Mrs. George Deaton, assistant leader, are assisted by Mrs. Horace Driver and Mrs. A. V. Nienast.

Xi Gamma Pi Meets With Mrs. Carlton

Xi Gamma Pi Chapter of Beta Sigma Phi met with Mrs. Weldon Carlton Oct. 8 at 4 p.m. Mrs. Clifford Reynolds Jr. gave the program on "The Sense of Taste."

Coffee and cake was served to 12 members.

The next meeting will be in the home of Mrs. Howard Mehaffey, Oct. 22, at 4 p.m.

PIPER PATTERN—

Piper Stage Band Opens New Season With Show Here Monday

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

ON TO VICTORY! After a successful battle against the Cisco Lobos, the Pipers are anxiously awaiting the game against the Haskell Indians. With their injuries still not entirely healed, the Pipers will journey to the Indian Stadium to seek their first district victory. So, let's all go to Haskell Friday night and back our Pipers.

Striving for a successful new year, the Piper Stage Band began a new season by providing entertainment for the Jones County Teachers' Association Meeting held Monday night in the H. H. S. Auditorium. A variety of tunes were presented highlighted by "Sugar Blues" which featured a solo by Mr. Tim Jones, director. Though a considerable number of the members graduated last year, the stage band is working and aiming toward an eventful year. The members are: saxophones — Carolyn Reynolds, Mary Margaret Turner, Jack Townley Jr., Reba Jackson, and Marolyn Reynolds; trombones — Gary Cauble, Randy Smith, Dennis Weaver, and Sammy Ferguson; trumpets — John Osbourne, James Knable, Joe Adams, Randy George, and Marie Young; drums — David Drummond; piano — Markaret Ann Johnson; guitar — Cliff Sharer; and flute — Mary Lois Patterson.

Denice Tugwell Elected President Smiling Blue Birds

Denice Tugwell was elected president of the Smiling Bluebirds at their meeting Oct. 13, at the Hut. Other officers include Rita Casey, secretary; Lisa Walker, reporter; Debbie Hix and Sonja Williams, clean-up.

Others present were Donna Sarly, Lynda Harrison, Kimi Mehaffey, Vickie Ponder, Jacques Preiss, Rebecca Server, Kathy Smith, and Debra St. Clair.

Mrs. Bill Early and Mrs. C. H. Tugwell are leaders.

Over 100 tornados a year strike the U. S.

THE HAMLIN HERALD

New Twist for Old-Fashioned Cake

There's nothing like the wonderful old-fashioned aroma of a baking applesauce cake! This new recipe is one guaranteed to please not only with its baking-time fragrance, but also with its eating flavor. Toss for flavor combination is this banana frosting: Cream ½ cup softened butter with ½ teaspoon salt. Blend in 1 medium ripe banana, mashed; then add about a pound of sifted confectioners' sugar, a little at a time. Beat well.

APPLESAUCE RAISIN CAKE

2 cups sifted Swans Down Cake Flour
2 teaspoons double-acting baking powder
¾ teaspoon salt
¾ teaspoon baking soda
¾ teaspoon ground cinnamon
¾ teaspoon ground cloves
¾ teaspoon ground allspice
1 cup granulated sugar
¾ cup vegetable shortening (at room temperature)
1 cup canned applesauce
1 teaspoon vanilla
2 eggs
¾ cup cut dark seedless raisins
¾ cup chopped pecans
Banana Butter Frosting
Sift flour with baking powder, salt, soda, spices, and sugar. Stir shortening just to soften. Add dry ingredients, half of applesauce, the vanilla, and eggs. Mix until all flour is dampened.

Then beat 2 minutes at a medium speed of electric mixer or 300 vigorous strokes by hand.

Add remaining sauce, raisins and nuts and beat 1 minute longer in mixer or 150 strokes by hand.

Pour batter into 9-inch square pan lined on bottom with paper. Bake at 350° for 45 to 50 minutes.

Cool cake and frost with Banana Butter Frosting. If desired, decorate with sliced bananas and thin strips of orange or lemon peel.

HAMLIN — SP 4-1656

"Oh brother, is this contraption ever a monstrosity! Can you imagine finding space to put one of these, or even actually using it? This old 1901 Peck-Williamson water-heating stove and clothes dryer can't hold a candle to the modern, automatic, flameless electric clothes washers and dryers. Besides being completely automatic and flameless, they save so much time and energy. The electric dryer alone saves 3 hours weekly of the housewife's valuable time which she can spend with her family and clothes come out so soft, fluffy, and easy to iron, there's no telling how much time is saved just on the ironing board.

Sixty-three years sure makes a lot of difference. Visit your electric appliance dealer or the nearest WTU office."

Senior Class Leads High School Honor Roll for First Six Weeks

The honor roll released Tuesday following the first six weeks, show that the seniors lead with 56% of their 54 members having an average of 80 or more. The freshmen are second with 40% of the 77 enrolled. The sophomores are third with 39% of their 69 members and the juniors have 38.8% of their 67 members listed.

All "A" Honor Roll:

Seniors: Connie Jo Duncan, Nancy Ford, Mary Lois Patterson, Marolyn Reynolds, Jack Townley Jr., and Mary Margaret Turner.

Juniors: Jimmy Hawkins, Judy Jenkins, Sheila Stone.

Sophomores: June Hill, Margaret Ann Johnson, Alanna Jo Kennedy, Helen Hoore, Revonna Kay Robertson.

Freshmen: Jayne Carol Turner, Pauline Womack.

"A" Average:

Seniors: Pat Batchelor, Linda Hallmark, Carolyn Reynolds.

Juniors: Glenda Hudspeth, Jimmy Kincaid, Linda Legan, Mike Rountree, Margie Young.

Sophomores: Lynn Brannon, Robert Moore, Vicki Newland, Sue Roddy, Geneva Ward.

Freshmen: Augustine Barron Jr., J. R. Binnicker, Sally Carlton, Margaret Cooper, Sharon Hawkins, Donnelle Hill, Reba Jackson, James Knabel, Kathy Moore, Tommy Oliver.

Those With "B" Average:

Seniors: Gary Cauble, Rupert Compton, Kathryn Councilman, Allen Cumbie, Elizabeth Cunningham, Herman Daniell, David Drummond, Mary Ann Elkins, Larry Farnsworth, Barbara Graham, Holman Jones.

Paula Kim, Carolyn Lowrey, Johnny Overman, Robert Pearce, Charles Prewit, John Priddy, Cliff Sharer, Mike Shivers, Stanley Smith, Christy Wallace.

Juniors: Jan Albritton, Gerald Barnett, Larry Braley, Scotty Brown, Mike Cavitt, Don Embrey, Tommy Ferguson, Johnnie Harbert, Gary Hester.

Pat Pope, Phyllis Rackley, Patsy Sauls, Doug Sharer, Mike Smith, Cynthia Stephens, Jim-

my Stuart, Danny Warner, Eileen Womack.

Sophomores: Joy Bond, Doug Carlton, Gary Connally, Danny Contreras, John Councilman, Carl Evans, Johnny Flowers, Joyce Fry.

Linda Goodwin, Donnie Jones, Judy Liles, Louise Lujan, Larry McCoy, Randy Smith, Dennis Weaver, Suzanne Wicker, Jean Young.

Freshmen: Rickey Acklin, Linda Berry, Debra Blanton, Nancy Brown, Keith Bundas, Janet Carson, Bob Clifton, Linda Cox, Milton Davis.

Sam Ferguson, Randy George, Pauline Lakey, Alice Lovell, Dalton Lyon, Randy Morgan, Joyce Putnam, Ronnie Rogers, Raul Solis, Gayle Wigington.

TIPS FOR OUTDOORSMEN By VERN SANFORD

Cooking Small-Boned Fish

Here's how some cooks prepare fish which have a lot of real small bones:

Cut the fish into chunks and run through a meat grinder, on course setting. Mix the chopped-up fish in cracker meal to absorb moisture.

Run this through the grinder again, only this time set on fine grind.

Result will be an easily handled substance that can be shaped into patties. Dip in egg batter and fry.

Reloading the .22 Rifle

There's a quick way to load a .22 rifle having a tubular magazine. Just pre-pack the cartridges in a large-size soda straw and twist the ends closed. In the field, tear off one end of the straw and pour the ready-stacked hulls inside the tube. Pack as many straws as you think you might need.

Shh! Quiet Man

Mr. Deer Hunter: Cover with adhesive tape keys, loose change, cartridges, anything that might clank at the wrong time. Big Bucks will hate you.

Corn Attracts Worms

An ear of corn buried in a moist corner of your garden will gather worms like a magnet.

Double Feature Attraction to End Annual Prison Rodeo Sunday

HUNTSVILLE — A double feature attraction, plus the best in convict contests will highlight the closing performance of the 33rd Annual Texas Prison Rodeo here Sunday, Oct. 25 at 2 p.m. in the prison's 30,000 seat stadium.

The world's wildest and most unusual rodeo gets underway with an event seldom staged in outside rodeos — the Mad Scramble. This hair raising features ten tough convict cowboys on ten wild Brahman bulls, released simultaneously from ten chutes. Winner must ride to the far end of the arena, and with the size of the prison arena a lot can, and usually does, happen before the ride is over. Other events include saddle-bronc riding, bareback bronc riding, bull riding chariot races.

Two Prison Rodeo "Specials" that have proved to be crowd pleasers are Calf Tussle — 80 men and 40 calves loose in the arena at the same time. In two-man teams, the cowboys will try to wrestle their calf (if you call a 400-lb. critter a calf!) across the finish line for top money. Hard Money — A bull durham with \$50 inside is tied to an enraged Brahman Bull's horns. The object is for the cowboys to wrestle the money away from the uncooperative bull.

Jimmy Dean, nationally-famous country singing personality will make a personal appearance, as will the ever popular musical comedy team of the Harmonica Rascals. Inmate entertainment groups will be featured, including the Gorce Girls

from the women's unit of the TDC. In addition there will be trick riding by Ted & Betty Lamb, Maureen Moon, Connie Griffith, Billy Keen and Bill Garsee — plus the Sam Houston Mounted Quadrille.

Net proceeds from rodeo ticket sales are placed in the inmates educational and recreational fund which makes it possible to furnish rehabilitative services not allocated by the state.

Reserved seat tickets for the final performance may be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order. Tickets are \$2.40; \$3.75 and \$4.40 each, tax included.

Mr. and Mrs. Angel Lopez of Stamford are the parents of a girl born Oct. 14 at 9:12 a.m. She weighed 8 lbs. 8 oz. and is named Caroline.

Rich pasture land yields about 700 pounds of cattle or sheep per year.

Neinda Philosopher Wonders if Voters, Like Candidates, Will Be Asked for Financial Statements

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1, tackles the Presidential candidates' financial statement problem in his letter this week.

Dear editor:

As I understand it, it's not a Constitutional requirement, it's just a new fad, but Presidential candidates and their running mates are now publishing financial statements and we have now heard from all them, none of whom is living in what you'd call a poverty pocket.

What I'm wondering is if the thing will spread and voters will be expected to publish their financial statements before voting?

If so, there's one point I'd like to get over. I notice that

there is considerable argument over the kinds of financial statements the Presidential and Vice Presidential candidates have published. Some are using figures based on what their holdings cost, others on what they could be sold for now.

This has brought on an argument, with one side arguing what something cost is no basis for determining what it's worth now. "That's no way to reflect your financial standing," they argue. "Publish the true current figures."

Well, now, technically I I guess maybe they're right, but let's not go overboard about it. There are times when a cost basis is better than a sales basis.

For example, take my 1946

model tractor. It'd show up a lot better on a financial statement at its cost when new 18 years ago than its current market value, which I estimate is around \$135, if I could get all four tires to stay up long enough at the same time to get it to town for an appraisal.

The current market value, you see, is not always the best basis for making a financial statement, but on the other hand, lots of times it can be fine for tax assessing purposes. A man who doesn't know whether he's making out a financial statement to the bank or a tax report to the assessor, he's in bad shape to start with. I'm not saying this is the way it ought to be, only the way it is.

J. A.

"How could a date have seemed so important?"

When your mind's not on your driving, you're dangerous! Your car can't think. That's your department—the driver's. So think about this. When your mind is on anything else but your driving, anything can happen—including an accident! Last year, nearly 37,000 Americans died on our highways. Many might still be alive if they or others had kept their minds on the road. Driving demands your full attention, so stay alert—and stay alive!

Where traffic laws are strictly enforced, deaths go DOWN!

ADVERTISEMENT FOR BIDS ON J. M. STUBBS FARM LAND

SEALED WRITTEN BIDS addressed to J. C. Turner, Independent Executor, Box 215, Hamlin, Texas, will be accepted for the purchase of the following described property in Jones County, Texas, commonly known as the J. M. Stubbs Farm and described as follows:

TRACT NO. ONE: 110.2 out of Section No. 153, BBB&C Ry. Co. land in Jones County, Texas, as described in deed from L. E. Littleton, et ux to J. M. Stubbs dated April 20th, 1938 and recorded in volume 221 on page 600 of the Deed Records of Jones County, Texas. No improvements located upon this tract.

TRACT NO. TWO: 163.8 acres out of Section No. 156, BBB&C Ry. Co. land in Jones County, Texas, as described in deed from L. T. Malone, et ux to J. M. Stubbs dated December 9th, 1924 recorded in volume 131 on page 54 of the Deed Records of Jones County, Texas. Dwelling and Barns located upon this tract.

Bids will be accepted on either Tract One or Tract Two, above, as a single purchase unit or jointly upon both Tract One and Tract Two, above. The Stubbs Estate is vested with full and complete ownership of all the surface estate and mineral estate of the hereinabove described tracts of land and the entire surface and mineral estate of both tracts are to be sold FOR ALL CASH AND NO CREDIT WILL BE EXTENDED. None of the furniture or fixtures located in the dwelling located upon the said tract two (2) above will be sold under this bid advertisement. The undersigned executor will work with any purchaser which the executor elects to sell the property to in assisting said selected purchaser to obtain a loan upon said property to pay the cash price to the said undersigned executor.

The undersigned executor agrees to furnish complete abstract to said property and agrees to furnish good and marketable title to said property, which shall be conveyed free and clear of any and all encumbrances.

All crop allotments assigned unto said land must be checked by bidder at the Agricultural Stabilization & Conservation Office, Anson, Texas.

J. C. Turner, Independent Executor, RESERVES the right to REJECT any and all bids and to waive informalities and further reserves the right to negotiate with any bidder.

NOTWITHSTANDING any provision to the contrary herein, it is expressly stated that this advertisement for bids will not be considered an offer to sell the above described property to any bidder but only a privilege granted to any bidder who may desire to submit a written bid for the purchase of the above described property. Any sale of said property shall be under proper escrow contract agreement expressly agreed to with the buyer and the undersigned executor. This privilege is given due to the great interest shown in the community to purchase the above described property, and the undersigned executor will sell the above described property.

SUBJECT to the right reserved to reject any bid, at anytime, such bids will be accepted until December 1st, 1964; provided that the undersigned executor reserves the right to stop accepting bids at any date before the termination of the heretofore shown date.

No bid will be returned and no verbal bid will be accepted.

J. C. TURNER
J. C. Turner, Independent Executor,
Box 215, Hamlin, Texas

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—An increase of \$107,000,000 in state expenditures for higher education and doubling tuitions in state colleges and universities is proposed.

Texas Commission on Higher Education recommends a \$457,100,000 budget for upper level institutions during the 1965-67 biennium. Figure includes \$307,500,000 for 22 state-supported senior colleges and universities.

Tuitions under the Commission's recommendation would be hiked from \$50 to \$100 a semester. Last increase was in 1957, when the rate was raised from \$25. If the Legislature approves this hike, revenues would be boosted \$33,000,000—leaving some \$74,000,000 more needed from tax funds.

Overall budget increase of 45.2 per cent would permit a 23 per cent faculty salary raise. Previously, the Commission had asked a \$5,900,000 supplemental appropriation for faculty salaries.

Commission also recommended "phasing out" Texas South-

CARD OF THANKS

ern University's law school.
CONNALLY GETS NEW JOB
Gov. John Connally returned from the Southern Governors' Conference in San Antonio with a new honor and a new assignment.

Already chairman of the National Democratic Governors' Caucus, he was unanimously elected chairman of the Southern Conference of chief executives.

In a three-day session, the governors discussed a variety of state problems and adopted 14 resolutions. Among the latter was one urging a federal constitutional amendment to permit states to take other factors than population into consideration in reapportioning their senates. Resolution was aimed at nullifying a U. S. Supreme Court decision ordering both houses of state legislatures apportioned on the basis of population alone.

Three governors blocked action on Alabama Gov. George Wallace's resolution calling on the federal government to leave operation of public schools entirely in the hands of states.

TEXAS BIDS FOR NATIONAL CONVENTION
State Democratic Committee has authorized Chairman Marvin Watson of Dangerfield to enter a bid for the 1968 Democratic Convention in Texas.
Watson will name a committee to consider possible host cities.

COURTS SPEAK
Court of Criminal Appeals ordered a new trial for a man convicted of murder, because his attorney filed an appeal after the deadline. Court heard argument that the trial attorney for the defendant lacked sufficient experience.

Third Court of Civil Appeals heard pleas that the new state loan shark law was applied unconstitutionally in an Austin district court. Court had ordered package store owner E. L. Parker to stop lending money at rates over 10 per cent without a license.

State Supreme Court upheld an appellate court's "time is of the essence" ruling in deciding the contract between Concord Oil Company of San Antonio and Alco Oil and Gas of Illinois. Court said termination of the contract by letter held precedence over a telephone promise to "wait and see".

TEXTBOOK PROTESTS AIRED
Witnesses protesting adoption of three high school biology textbooks charged that evolution is an atheistic, unscientific and materialistic theory that should not be taught in public schools.

State Textbook Committee took protests into consideration after a public hearing. Actually, eight books on the list were opposed. Principal targets were the three books developed by the National Science Foundation.

OIL PRODUCTION SET
Texas Railroad Commission set oil production for November at 28.4 per cent of potential. Figure represents a slight increase over October, which was limited to 2,860,000 barrels daily under a 27.9 per cent of potential order.

MENTAL HEALTH PLAN COMPLETED
A statewide citizens committee has approved a new program of mental health services. Earlier, a steering committee had recommended creation of a single agency—Texas Department of Mental Health—to administer state-financed mental health services, including all mental hospital facilities. Missing pieces in the Texas

NOTE OF APPRECIATION

We would like to express our appreciation to all those who have given games, wastebaskets, card tables, chairs, a clock and many other useful items to Holiday Lodge. We thank each one for their thoughtfulness and generosity.

The management, staff and residents of Holiday Lodge

plan included facilities, financing and administration.

Hale County Judge C. L. Abernathy, chairman of the 112-member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Governor Connally and the 59th Legislature.

PARK LAND ACQUISITION URGED

Parks and Wildlife Commission Chairman Will Odom said Texas may lose up to a third of its park land during the next 80 years because leases are expiring.

Odom called for a program of land acquisition to prevent loss of needed acreage when he spoke at the State Conservation Conference.

Earlier, he had lauded Gulf States Marine Commission for efforts to develop the fishing industry and bring sea resources to the public for general benefit.

WATER NEEDS TALKED
Atty. Gen. Waggoner Carr told Texas Water Conservation Association all units of government must work with private enterprise and individuals to assure a water supply adequate to meet Texas' needs.

Brig. Gen. R. H. Free, commander of U. S. Army Engineers, said Texas must have an overall program of water development.

SCREWORM BATTLE BIG SUCCESS

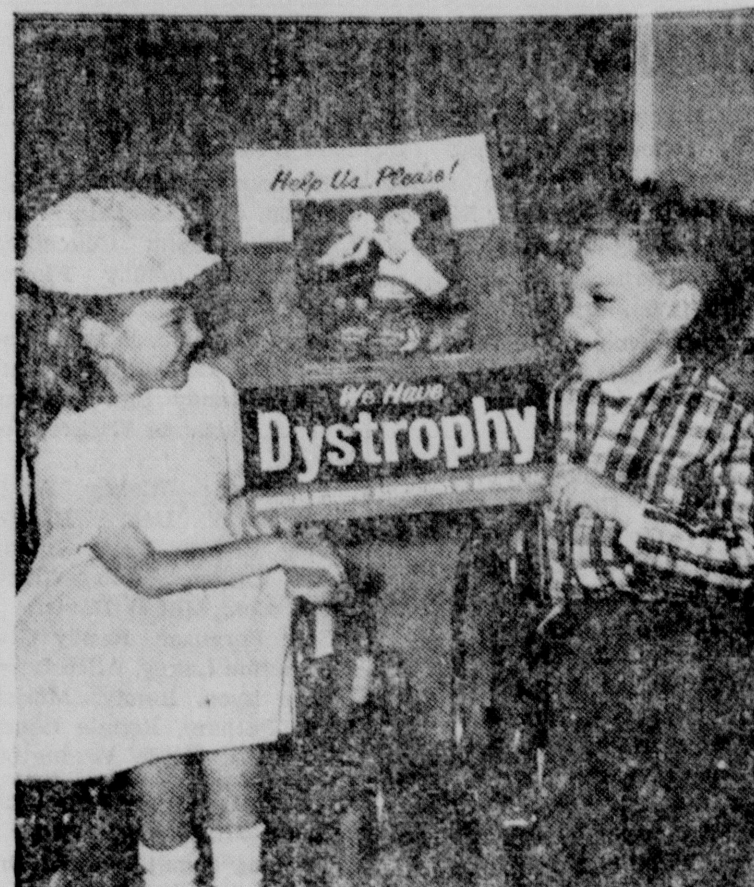

The Screwworm eradication program, which was conceived by individual livestock producers in Texas and later embraced by State and Federal animal health authorities, now is such a big success that only 102 cases of screwworm infestation have been reported in Texas this year compared to 3,000 by this time in 1963, and 50,000 cases in the last half of 1962.

According to Dr. Seymour J. Smith, State supervisor for the sterile screwworm plant in Mission, the picture is even brighter than those figures indicate because reporting of cases by farmers and ranchers has improved more than 100 per cent.

EMPLOYMENT UP
Employment statistics from the Texas Employment Commission shows a big increase in August. There were 3,322,300 jobholders in the non-farm category in July, compared with 3,325,600 in August. More significant was a drop in unemployment: 152,500 were looking for work in August, compared to 159,500 in July, and 174,500 in August of 1963.

COMMITTEE ON AGING PROPOSAL
Governor's Committee on Aging, chaired by State Senator Walter H. Richter of Gonzales, will ask the next Legislature to

"Second Term" For Robbie And Kerrie

Robbie and Kerrie Whitaker, displaying the poster which introduced them to the American public, make no attempt to conceal their delight over the fact that they have again been chosen to spearhead the March for Muscular Dystrophy, now under way throughout the country. The annual drive raises funds for the comprehensive research and patient service program sponsored by Muscular Dystrophy Associations of America.

will ask the next Legislature to establish a permanent Texas Commission on Aging.

Purpose of the Commission would be to work with community groups interested in the problems of Texas' senior citizens and to coordinate efforts of local organizations with those of state agencies.

CITRUS CROP UP
Texas' 1964-65 citrus crop will be four and a half times greater than last season's 740,000 boxes, reports USDA's Crop and Livestock Reporting Service.

CLRS established a 3,400,000 box fruit crop for the coming season, including 2,400,000 boxes of grapefruit and 1,000,000 boxes of oranges.

Widespread showers and heavy rains in the Falcon Reservoir watershed of the Lower Rio Grande Valley were credited with assuring proper fruit sizing.

SHORT SNOTS
State Savings and Land Commissioner James O. Gerst postponed until December 15 the hearing on an application from Portland Savings and Loan Association.

Attorney General Carr filed two more suits alleging slant-hole oil well activities in five Rusk County wells against H. L. Long and J. K. Maxwell.

both of Kilgore. A highway program even larger than the present one will be needed for Texas in 1972, according to T. Lawrence Jones, deputy federal highway administrator.

Attends School

The entire personnel of Bishop's Flowers attended a Christmas design school, sponsored by San Lorenzo Wholesale Florist, in Dallas Sunday.

Well known designers as Jack and Marie Orr of Oklahoma, Odys Bertine Cox of Mineral Wells, Mr. Fred Hoffman, Sonia Nectory of Shreveport, La. and others gave demonstrations.

Those attending were Mmes. Lou Bishop, Opal Smith, Opal Goodgame, Joe League, Johnny Hester and W. B. Britton.

Just Cooked Our Christmas Dinner!

"Turkey and all the trimmings" are going into the freezer until Christmas Day. Then when company starts arriving, I'll be able to visit with them somewhere besides the kitchen.

I love family gatherings on holidays, but it used to be almost more work than it was worth. Now, I make all the preparations in advance and enjoy the day.

My electric freezer makes this possible... and the Midwest Electric Cooperative makes the freezer possible. Our electric service is dependable and low in cost. Not only are holidays more enjoyable but the Midwest Electric Cooperative has added pleasure to every day of my life. I'm proud to be a member."

MID-WEST ELECTRIC COOPERATIVE, INC.
ROBY, TEXAS

DAMASCUS WAS PAGAN, CHRISTIAN, NOW MOSLEM

By Hulin Fowler

Editor's note: Fourth in a series of articles describing Mr. Fowler's experiences in the Bible Lands. Write to him in care of this newspaper for answers to your travel questions.

We were at last on the road to Damascus.

Leaving Lebanon, we came down out of the mountains onto a flat plain. In the distance we could see the Lebanese border station and, facing it across perhaps half mile of "no man's land," the small Syrian station.

There was something sinister about Syria, a feeling we somehow never escaped. Yet we were treated courteously by the border guards as well as other Syrians we met.

Damascus, a metropolis of over half a million people, is said to be the oldest continually inhabited city in the world, dating back some 6,000 years. In a

bout 1918 B. C. Abram pursued Lot's captors into Hobah, near Damascus (Gen. 14.) Around 1040 B. C. David slew 22,000 "Syrians of Damascus" and put a garrison in the city. Almost 1,100 years later, Paul was converted here and Damascus became Christians en masse.

Damascus today still has parts of the ancient walls that surround the city for centuries. The streets are cobblestoned, many covered by picturesque round tin roofs to ward off the sun which at times can be quite intense.

Crowds in the streets are restive people, vociferous and robed. Ancient taxis honk incessantly, their drivers apparently caring little for the lives of pedestrians.

The city is divided into almost a score of quarters of which the "Christian Quarter," called Bab Touma by the Syr-

ians, contains many of the historical scenes of early Christianity.

We saw Ananias' house where in about 38 A. D. Paul had his sight restored after losing it on the road to Damascus. We also walked the Street Called Straight, where Ananias first encountered the blind Paul. The street is narrow and cobblestoned but still one of the important thoroughfares of the city, running through the Grand Bazaar and connecting the East and West Gates.

The Syrians, being mostly of the Moslem faith, show little interest in the Biblical landmarks about them. It seems that only the guides, who have something to gain from this knowledge, are cognizant of these facts, while others live in the very shadow of famed Biblical landmarks, quite unaware of their significance.

For example, Paul's window, from which the apostle escaped from the Jews, stands apparently as it has for centuries, unattended and unheralded by signs or other identification. It was easy to see why the disciples had to lower the apostle in a

basket for the window is a narrow slit in a wall high off the ground.

A Mohammedan stronghold, Damascus has one of the finest mosques in the world. I was particularly impressed by this magnificent Mosque of Omayyad, which historians say was successively a pagan temple, synagogue, church and finally a mosque. It is said that John the Baptist's head is buried within the fine marble walls.

We had a choice of taking off our shoes before entering the mosque or putting on a pair of elastic banded leather shoe covers ("babouches"). Inside, the floor was covered with fine Persian style carpets, one of which had been donated by the Shah of Iran. The carpets are never removed. When one becomes worn out and soiled another worn one is simply placed over it.

Aside from its religious and historical significance, Damascus has a lot to offer the tourist, one being the many "factories" — actually shops — where the tourist can purchase handmade copper, brass and silver articles, brocades, and mother-

of-pearl inlaid wood furniture. It was here that I purchased, for about \$50, a small chest made of highly aromatic wood with mosaic inlay.

I had it shipped home and have never regretted the purchase. Somehow, I derive a particular satisfaction from knowing it came from the oldest continuously inhabited city on the world, one of the seats of early Christianity.

Several Boys Earn A's in Agriculture

The boys of F. F. A. were very happy to be through with the first six weeks of school. After this first period the grades were as follows. Those making an "A" in agriculture were J. R. Binnicker, Horman Jones, Robert Moore, Robert Pearce, Raul Solis, Augustin Barron, Rupert Compton, and Johnny Flowers.

Taking the average of all subjects, all "A's" were made by Jimmy Hawkins. The "A" average was attained by J. R. Binnicker, Jim Kincaid, Robert Moore, and Augustin Barron. Those making the "B" average were Holman Jones, Mike Smith, Johnny Flowers, Raul Solis, Robert Pearce, Stanley Smith, Gary Cauble, Dennis Weaver, Sam Ferguson, Rickey Acklin, Paul Long, Danny Contreras, Tommy Ferguson, Randy Smith, Randy George, Larry Farnsworth, Doug Carlton, Rupert Compton, Donnie Rogers, Gary Connally, John Priddy, Keith Bundas, Donnie Jones, Charles Stanford, Mike Murphree, and Robert Parramore.

The F. F. A. has sold approximately one third of its Halloween candy. Anyone wishing to buy this candy should contact a member of the F. F. A.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Sunday looked like winter might have been arriving early, after summer had returned again, but just a small amount of rain and nice, cool, weather is all that remains this Monday morning, of the dark, dreary day that we had Sunday.

Several from our church attended the Association Meeting held in the Lueders Baptist Church, last Thursday and Thursday night. Rev. Leverett, Mr. and Mrs. Woodrow Goodwin, Mr. and Mrs. Winson Gray, attended the business meeting that afternoon. Going for the night services and supper, were Mrs. Leverett and girls, Mrs.

Fred Rosenbaum and Mrs. Elmer Joiner.

The Winson Grays had all of their children home over the weekend, making a pretty good houseful, now having four grandchildren. All of them were in church Sunday with them. They are, Mr. and Mrs. Marvin Johnson, Bruce and Barry, Amarillo, Mr. and Mrs. Doil Bills, Jana and Tonya, Houston, and Dorothy Gray, also of Amarillo.

This reporter went to the State, Home Demonstration Club last Wednesday to give a report of the state meeting held in Houston. This is the small obligation we have to show our appreciation for getting the trip, is to make a report to the clubs of the county, having divided them up among those that attended.

The Goodwin's house is fast taking shape now, the walls and part of the roof having been put up, before the weekend. It gives us all something to go look at, as our little bunch in our community, that have all been together so long, are just like one big family and what

concerns one, concerns us all.

We are sorry to learn that Mrs. Buck Richie, the former Catherine Drake, who now lives in Tulsa, Oklahoma, is in the hospital at that place. Mrs. Richie had a foot amputated some time ago and recently had a big toe amputated, on the other foot, and now has an infection where the surgery was done. She is a diabetic, is the reason she has trouble with infections.

Mr. Terry Holmes and son, Andy, visited Sunday morning with his brother, Mr. and Mrs. Flavil Holmes, enroute home to Odessa, after visiting with his mother, Mrs. Alma Holmes, in Abilene.

Mrs. Johnnie Agnew and Mrs. Elmer Joiner went to Abilene, last Tuesday afternoon, to see Mrs. Lois Hampton, in the Crestview Home. Mrs. Hampton remains in about the same condition.

Mrs. Jimmy Joiner Jeannie and Ronald, came over from Stamford, Friday afternoon to visit with Jimmy, who is building the Goodwin house, and spending most of the week at Hamlin. They spent Friday night with the Elmer Joiners and Saturday with her parents, Mr. and Mrs. Bailey Meeks.

Mrs. Monroe Potter, Anson, spent Friday night with the Drake family. Mrs. Potter is the former Mrs. Levi Bush, old time resident of this community. Mr. Potter passed away last year, in Anson.

Sunday visitors of the Drakes were Mr. and Mrs. J. S. Scott, coming from Albany.

Mr. and Mrs. Jack Wright and children, spent Sunday with her parents, Mr. and Mrs. Flavil Holmes.

Our annual pests are back in great numbers, in the church house. As of Saturday, the wasps came in great swarms, trying to find a warm place to spend the winter.

Work is progressing on the remodeling of our upstairs area, in the church. We hope to have the kitchen and fellowship hall ready by the last of the month, to have family night. We are all as pleased as a child with a new toy, over getting it fixed.

Saturday afternoon, Rev. and Mrs. Leverett, Mr. and Mrs. H. L. Ford, met at the church and worked, went to the Ford's and had supper, returning later to work some more. As of this afternoon the men are meeting to work on the project some more.

Mr. and Mrs. Victor Lopez of Crystal City are the parents of a son born Oct. 14 at 7:30 p.m. Victor weighed in at 8 lbs. 12 oz.

Mr. and Mrs. Louie Lechuga are the parents of a girl born Oct. 15 at 8:15. She was named Alecia and weighed 5 lbs. 12 oz.

Honor Roll for DePriest Released

The merit committee of the Student Council of DePriest School has released the first six weeks honor roll.

In the eleventh grade Estell Willis leads with an average of

88.3. Alice Faye Ervine is next with 87.2 and Eulla McPherson has 81.5.

Others on the honor roll are listed by grades as follows:

Tenth: Roberta Douglas, 90.1.

Ninth: Dorothy Dean Butler, 89.6; Mary Ann Shelton, 81.6;

Edna Jean Bolden, 80.5.

Eighth: Charles E. McPherson, 90; Lavene Hunter, 87;

Peggy Covington, 87; Larry G. Austin, 86; Elma Ree Mayes, 84.

Seventh: Rhonda Butler, 91; Dollye Faye McPherson, 89;

Janice Douglas, 89; Jerry Don Covington, 88; Dickey C. Waller, 84.

Shirley M. Titus is chairman and Bobby Jean Kirby is reporter.

Diamonds of poor quality have been found in Nevada.

Paula Ray Turner was born Oct. 19 at 10:55 p.m. She weighed 3 lbs 13 oz. Her parents are Mr. and Mrs. Billy Ray Turner of Hamlin.

Chinese office buildings have a hobby, using dental tools, statues of fierce dogs or lions at the door to scare demons.

NORMAN THOMAS FINDS A NEW HOME

Norman Thomas, six times the candidate of the Socialist party for President, has announced that he is voting for Johnson and Humphrey.

He finds that the Democratic party offers a haven in which he will feel perfectly at home.

In fact, the Democrats have taken over so much of the doctrine of the Socialists that the Socialist party no longer finds it necessary to run anybody for President.

For some years Mr. Thomas has been speaking increasingly warmly of the Democrats, for they are living up to the prediction he once made:

"The American people will never knowingly adopt socialism, but under the name of liberalism they will adopt every fragment of the socialist program until one day America will be a socialist nation without knowing how it happened."

This year Thomas finds in the Democrats just about all that he ever sought.

Johnson's "war on poverty is a socialistic approach."

Hubert Humphrey would have been his first choice for President on the Democratic ticket, for Humphrey is "the type of Democrat I like and one who would be a Socialist if he got to England."

But Thomas is willing to settle for second best: Humphrey is the Democratic candidate for Vice President, and if elected, would be a heartbeat away from the big job, held by a man who has had one massive heart attack.

So it's coming up roses for Norman.

The Democrats are making his dream of a socialized United States come true—Chicago Tribune.

Pipers Seeking First District Win Friday Night; to Play at Haskell

The Pipers will be going for their first district win Friday night when they take on the Haskell Indians in a game to be played in Haskell. While there does not seem to be much rivalry generated here for a game with Haskell, the Indians hold a 12 to four edge in victories over the Pipers in games played during the past 20 years.

The Pipers last beat the In-

dians in 1960, losing the last three in a row.

The Pipers were getting back on the winning trail last week by defeating the Cisco Lobos, 13-6, while the same night the Indians were taking it on the chin from the Stamford Bulldogs, 32-0.

Both teams seems to be completely out of the district race, both teams need a win Friday night in an effort to avoid the

district collar. The Pipers are 0-2 in district and 4-2 for the season. The Indians are 1-2 in district and 5-2 for the season.

The Indians will field a senior ball club with 10 of their offensive starters being seniors. They run from the Denver City with the backs in tight and splits in the line.

It is not known whether their quarterback, Joe Jesselet, will be able to play this week or not. He was hurt before the Stamford game and was hurt again in the game last week. He is the fastest boy in district, having run a 9.9 last year in regional.

State Director Speaks to Area Teachers Here Monday Night

The Jones County teachers meeting was well attended here Monday night as Hamlin High School hosted the group. Approximately 160 teachers of the 200 teachers in the County were present.

E. L. Galyean, director of research for Texas State Teachers Association, of Austin was the speaker.

He discussed the present legislative program in regard to salary increases for teachers. He noted the slogan "45 for 65"

was being used in the effort to obtain a \$45 per month increase. He mentioned that 60% of the teachers who were the breadwinners in the family were having to seek part time employment to support their families. The raise would bring the minimum wage for a B.A. degree to \$4420 per year.

Also mentioned was the proposal of an established sick leave in the State program.

Galyean discussed the poverty program on the national level following his experience with research in this field during the summer. In his opinion the only way these people can be helped is through education and training.

The Home-making department served coffee following the program.

Representatives from Avoca, Anson, Stamford, Lueders, Needle-Horn, Hawley and Hamlin attended.

Jerry Hamrick of Anson is president of the group.

Other officers are Thurman Hagler of Lueders, vice president; Don Howard of Stamford, second vice president; Durrell Wilson of Anson, secretary; Van Rutherford of Hawley, treasurer.

The next meeting will be Feb. 15 at Avoca. The Apr. 26 meeting will be in Anson.

H. S. Turner, 87, Dies at Home Here Rites Held Wed.

H. S. Turner, 87, died at 3:30 a.m. Monday at his home in Hamlin.

Funeral was held at 2 p.m. Wednesday at the Oak Grove Baptist Church with the Rev. U. L. McPherson of Hamlin officiating. Burial was in the Hamlin East Cemetery.

Mr. Turner had been janitor for West Texas Utilities Co. here from 1929 until 1962 when he retired. He was born Jan. 6, 1877, in Burleson County, and married the former Erle Wilson in Hamlin Nov. 12, 1937.

He was a past master of the Ebenzer Lodge No. 1,000 and was past district deputy grand master of the lodge.

Survivors are his wife; one son, Ernest of Lovington, N. M.; one brother, John of Mansfield; four sisters, Mrs. Mary Holland of McCaulley, Mrs. Millie Eaton and Mrs. Alice Wade, both of Bryan, and Mrs. Lula Curry of Los Angeles; three grandchildren and five great grandchildren.

Masons served as pallbearers.

Mr. and Mrs. Billy Kinsey of Imperial are parents of a boy, James Mark, born Oct. 14, weighing 8 lbs. 8 oz. Mr. and Mrs. Claud Faulkenberry are the paternal great grandparents. The great grandmother is Mrs. W. E. Rogers. Mrs. Kinsey was the former Kay Edmondson of Imperial. The baby is the first boy in the Edmondson family in 50 years.

McCaulley Junior 4-H Holds Cooking Demonstration

The McCaulley Junior 4-H Club met Oct. 13 at the McCaulley Homemaking Building for a cooking demonstration for the boys and girls.

Sue Smith gave a demonstration on making peanut brittle for the girls. Bobby Smith and Phillip Maberry gave the boys demonstration on making brownies.

The candy and brownies were served to 16 members and the leaders, Mrs. Jerry Maberry and Mrs. W. D. Cleveland.

The next meeting will be Oct. 27 when sewing for the girls will be held. Mr. Norman will direct a demonstration of interest to the boys.

Stockmen Warned to Watch for Grass Tetany by County Agent

Stockmen are being cautioned to watch for grass tetany, a cattle ailment that sometimes pops up in fall and winter.

Jones County agent, Kirby Clayton says such small grasses as oats, wheat, barley and rye are capable of producing the sickness, particularly after rain. Common and Coastal Bermuda and mesquitegrass also can cause the trouble.

The disease is believed to be the result of an imbalance in body magnesium. Changing cattle from dry grass to lush winter pastures, or sudden temperature changes can encourage grass tetany.

It's most likely to occur in the older, more mature cow that has just calved or is near calving, the agent says. It also is known to occur in yearling calves that have just been put on lush pastures.

The condition is characterized by lack of coordination, muscular tremors, excessive

drooling and teeth grinding. Symptoms end with convulsions and coma six to twelve hours after first signs.

Treatment is largely ineffective once the animal reaches coma, Clayton explained. But intravenous injections of various magnesium and calcium salts with dextrose is beneficial before coma.

Removal of cattle from lush pasture is the obvious prevention if grass tetany is suspected. However, they can usually be left on the grass if they are supplemented with coarse, dry roughage.

The agent says that California has suffered large cattle losses from grass tetany. The problem has become so serious that the California Agricultural Experiment Station has developed an emergency ration which will prevent the ailment. The ration is magnesium oxide, milo or corn, and cottonseed meal and is fed at the rate of one pound per animal per day.

Hamlin Rites Held For Mrs. Milliorn

Services for Mrs. Mittie L. Milliorn, 72, were held here Saturday, Oct. 10, in the First Baptist Church. Mrs. Milliorn died at 5:00 a.m., Oct. 8, in the Gulf Coast Hospital at Baytown, Texas. She had been ill and hospitalized about one month.

Born Feb. 29, 1892, at Sulpher Springs, she was the daughter of the late Mr. and Mrs. Milton Cox. She was married to Ira Milliorn in Rains County, Aug. 2, 1908. He died Mar. 3, 1957.

Mrs. Milliorn was a member of the Baptist Church.

Services were conducted by Rev. Byron Bryant pastor of The First Baptist Church.

Survivors include four sons, W. M. of Odessa, J. P. of Corpus Christi, I. A. of Smith Point and J. M. of Comfort; three daughters Mrs. L. L. Hill of Aspermont, Mrs. S. T. Johnson of Houston and Mrs. J. E. Craig of Baytown; three sisters, Mrs. Charlie Sellers of Hamlin, Mrs. Bob Martin of Alba, and Mrs. Mamie McCarrall of Grand Saline.

Pallbearers were O. D. Roland, Bill Rountree, J. C. Petty, I. R. Witt, Bob Cary, and Sock Hudson.

A. L. Gamble Buys Used Car Business

A. L. Gamble, now sole owner of M & G Used Cars, announced this week that he had purchased the interest formerly owned by L. V. Miller.

Gamble, a resident of Hamlin since March, 1963, was formerly associated with a Ford agency in Hollis, Okla. He is a member of the Lions Club and is now serving on the board of directors.

Mr. and Mrs. Gamble are members of the Church of Christ. They have two sons, Gary, a teacher in Aztec, N. Mexico, and Danny Bob, a junior at Southwestern State, Weatherford, Okla.

FUND DRIVE SET HERE WEDNESDAY—Young children receive milk at one of the school feeding programs conducted by Church World Service in Latin America. Some CROP contributions pay for the distribution of government-donated foods such as dry milk which CWS exports to needy people.

Hamlin Youth to Hold Fund Drive For CROP Here Wednesday Night

Youth of Hamlin will join together in a united drive for funds for CROP here Wednesday evening, Oct. 28. The drive is being planned by the Ministerial Alliance and all young people are invited to participate.

Through CROP drives last year the young people of Texas collected over \$57,000 which helped to provide 98,267,600 pounds of government donated food and other CROP shipments not otherwise available for the overseas ministry.

October 19-31 is Proclaimed 'Food Is A Bargain' Month

WACO — "Food Is A Bargain" time will be observed in Texas October 19 through 31 by official proclamation of Governor John B. Connally.

Leslie L. Spier of Groves, president of Texas Retail Grocers Association, said the Governor's proclamation recognizes the achievements of food producers, manufacturers, wholesalers and retailers during the past two decades.

The "Food Is A Bargain" campaign is being conducted on a nationwide basis by the food industry.

The Governor's proclamation cited the fact that "consumers in 1964 spend only 19 cents of the after-tax dollar for food, the lowest percentage required for adequate food in history."

"The food industry has worked diligently to bring the consumer better foods and fairer prices and I do so doing has rendered the highest degree of service and provided for the welfare and well-being of all our people," Connally said.

Robert E. Crozier, executive vice president of the 6,000 member Texas Retail Grocers Association headquartered in Waco, expressed "sincere appreciation and gratitude for this recognition of our industry."

Debbie Elmore won first in the Junior Division of the barrel race at Aspermont in the second go round and first in the average Saturday, Oct. 17.

Fred B. Moore Jr., 44, Dies Unexpectedly Wed.

Fred B. Moore Jr., 44, prominent businessman and community leader, died unexpectedly at his home at 2 p.m. Wednesday following a heart attack.

Mr. Moore, owner of Moore Elevator, Pied Piper Mills and Pied Piper Farms, served the community as president of the school board since 1953, was president of the Hamlin Board of Community Development in 1959, and was vice president and chairman of the agriculture and livestock committee when the BCD was re-organized in 1958.

An active member of the First Baptist Church, he served as chairman of the building committee for the new church building completed in 1962 which includes the chapel, auditorium, offices and classrooms.

He was serving this year as vice president of the National Anxiety 4th Hereford Association. He was a past director of the Texas Hereford Association.

FRED B. MOORE JR.
... Heart attack fatal

and past director of Texas Grain and Feed Dealers Association.

Mr. Moore was also a donor to the Cattleman's Roundup for Crippled Children at the West Texas Rehabilitation Center, Abilene.

Born Nov. 17, 1919, in Hamlin, he was the son of Mr. and Mrs. Fred B. Moore Sr. Following graduation from Hamlin High School in 1937, he attended New Mexico Military Institute, Roswell, New Mexico. He was a senior at Baylor University when he entered service,

serving in the Air Transport Command. During three and one-half years of service, he was stationed in Montana and in Canada.

He was married to the former Bernice Bogden of Great Falls, Montana, Jan. 16, 1944.

Funeral arrangements will be announced from Hamlin Funeral Home Thursday morning.

Survivors include his wife; his parents; and four children, Fred Barry, a sophomore at Texas University, Austin, Robert B., a sophomore at Hamlin High School; and twins, Christopher David and Anna Patrice, first grade students.

Jerry Pritchard CB Club Prexy

The Air-Ways CB Club met Monday, Oct. 19 for their regular business session and also elected new officers for the coming year.

Jerry Pritchard was elected president; Glen Williams, vice president; Sue Cooper, secretary; and Mrs. Lelton Jackson was re-elected to serve as treasurer. Spencer Liles is outgoing president and Delton Jackson outgoing vice president. Liles was re-elected to serve as public relations chairman.

The radio club, organized a year ago, has been very active and has grown quite rapidly. Total membership has been as high as seventy representing five counties. A drive is underway to get the club registered with ACBA, a national radio club.

An officer installation banquet will be held at the Cliff House in Stamford, Monday, Nov. 16.

Membership is open to anyone who is interested in CB radio. Members are always happy to demonstrate a set to anyone interested. Radio enthusiasts are enjoying extremely good conditions for radioing at this time of the year; extended range with very little static and interference.

C. F. Cook Reelected To League Council

Mr. C. F. Cook, superintendent of Hamlin Public Schools, has been reelected to membership on the Legislative Council from Region I, Conference AA of the University Interscholastic League.

His term will be from Oct. 10 to Aug. 31, 1968, according to R. J. Kidd, director of the University Interscholastic League. Mr. Cook will be in Austin Nov. 1 for the meeting of the Legislative Council.

Mr. and Mrs. Kenneth Jack Powers of Clyde are the parents of a girl born Oct. 13 at 9:17 p.m. She is named Julie and weighed 9 lbs.

October 25 Through 31 Proclaimed As Cleaner Air Week Over Nation

You may be able to choose the water you drink and be selective about your choice of food, but whatever air is around you is the air you are going to breathe.

As a matter of fact, you automatically breathe about 80 pounds or 15,000 quarts of whatever air is available each day, while you only eat about three pounds of food and drink at most about four quarts of water.

A healthy mind and body requires clean, fresh air. This fact coupled with the growing air pollution problem caused by an ever growing human and industrial population is causing a growing concern about the state of our air.

And because of this concern, President Johnson set aside October 25 through 31 as Cleaner Air Week.

This is an excellent period for all of us to evaluate the air cleanliness of our communities. If it's not all that it should be, then it is time to evaluate the efforts the community is making to control air cleanliness.

It isn't only the big industrial cities that have difficulties. A Texas town that has any kind of industry — chemical plants, petroleum refineries, cotton gins or such — may have air pollution without realizing it. Should there be such a problem, it certainly would be well to take inventory of the efforts your community is making in your behalf, regarding cleaner air.

Already there is much study and effort being done in Texas

to evaluate and remedy some of the air pollution problems.

The State Department of Health has completed its part in a national air pollution appraisal.

In addition, the Health Department, through the cooperation of local health units, and the National Air Sampling Network of the Public Health Service, maintains twenty-four air sampling stations in points of highest population around the State.

Air samples collected at these stations are analyzed for degree of pollution loading and radioactivity.

One city and two counties have their own private programs for studying air pollution. And several have an air pollution committee.

Every cleaner air program needs the individual support of all its citizens. What do you know about the air you breathe?

McCaulley Pep Squad Planning Hamburger Supper

The McCaulley Pep Squad is having a hamburger supper Friday night after the football game. Tickets are 50c per person.

Jeanne Acklin was chosen McCaulley High School sweetheart and Eddie Smith here at the McCaulley homecoming.

The mascots were Judy Jeffrey, Sheila Jeffrey, Andy Acklin and Max Kemp. Escorts were Eddie Smith and Ronnie Jeffrey.

FROM OUR FILES

FIVE YEARS AGO:

Not only will Hamlin be the site for the fifth annual homecoming of ex-students of Hamlin High School, but an outstanding rodeo show is slated Saturday afternoon by the Hamlin Riding Club at its arena in the north part of town.

Mayor L. H. McBride has officially proclaimed the week of October 4 through 10 as National Business Women's Week in Hamlin, being sponsored locally by the Hamlin Business and Professional Women's Club.

Mrs. Byron O. Bell was elected new president of the Hamlin Women's Golf Association when members of the group met at the home of Mrs. M. L. Smith last Saturday.

TEN YEARS AGO:

Nearly an inch of rain, the first rain in several weeks, fell in the territory first of the week.

Linda Kay Hatson, 11-year-old Hamlin polio victim, died Sunday in an Abilene hospital.

Radio equipment is being installed in mobil units of the City of Hamlin that that will save many hours of time, city officials believe.

John Herrera, nine-year-old boy working in a cotton patch north of Hamlin, died of a rattlesnake bite Sunday afternoon.

Fire losses in the city are running less than those of last year, declared Fire Marshall T. E. McGuire.

FIFTEEN YEARS AGO:

Area cotton gins are humming now as cotton moves in earnest from the fields. Good yields are reported in most sections.

Jackie Wasson, four-year-old

son of Mr. and Mrs. R. B. Wasson, sustained a fracture of his leg last Saturday when playing at an oil rig near Hamlin.

Hamlin section is getting several new paved roads in the expansive State Highway Department's farm-to-market road program that is underway over the state.

Mr. and Mrs. Cliff Driggs are guests this week of relatives at Odessa.

Mr. and Mrs. Robert W. Patrick of Norfolk, Virginia, are visiting Mrs. W. H. Gilbert, Mr. and Mrs. J. W. Ezell and Mr. and Mrs. J. A. Morris this week end.

Mrs. M. P. May visited her niece, Mrs. Cecil Saxon, and Mrs. Delia McIntosh and Mrs. Tate May in Abilene last week.

Milton Tansey of Mineral Wells was here Sunday and Monday visiting old friends. The Tansey family, one of the pioneer families of Hamlin, moved to Beaumont several years ago. Milton is connected with the Baker Hotel at Mineral Wells.

Mr. and Mrs. Jack Johnson of near McCauley are moving to Fort Worth to make their home.

Hamlin Pied Pipers won their first football game two weeks ago from Lueders 13 to 0. Friday night the locals defeated the Abilene B team 26-7.

Mr. and Mrs. Jack Johnson of near McCauley are moving to Fort Worth to make their home.

Hamlin Pied Pipers won their first football game two weeks ago from Lueders 13 to 0. Friday night the locals defeated the Abilene B team 26-7.

The new brick highway from Mineral Wells to the Parker County line has been completed, giving a surface highway all the way from Mineral Wells to Dallas by way of Weatherford. This means one more good motor route open in time for the State Fair of Texas, Dallas, Oct. 11-26.

SOUTHWESTERN BELL

PARENTS' RESPONSIBILITY

"Train up a child in the way he should go: and when he is old, he will not depart from it." Proverbs 22:6

Ask anyone what his most precious possession is, and he will almost invariably say, "My children." The desire for the welfare of our children enables us to "move mountains". We will do anything, give them anything, if we think it will help them.

The one most important thing we can do for them, however, is to instill in them a love of God, and a desire to obey him. The church can help you in this endeavor, inspire and strengthen you. We invite you to take your family to church this week. It may make a great difference in the life direction taken by your children.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Move Beck Into Win Column OLD GLORY ... With 13-6 Victory Over Cisco

The Pipers returned to their winning ways Friday night as they clipped Cisco, 13-6, in a non-conference tilt played in Cisco. The Pipers scored in each of the first two periods and had a third drive killed when Cisco intercepted a pass in the end zone. The Lobos scored early in the fourth period.

The win makes the Pipers 4-2 for the season with their non-conference record 4-0 and their conference 0-2.

The Piper attack was well balanced with 133 yards on the ground and 104 yards in the air.

Top flight ground gainer for the night was Johnny Overman with 49 yards in 8 carries. He was followed by Robert Pearce with 47 yards in 15 carries. Top gainer for the night was Cisco's Jimmy Brown with 99 yards in 14 carries.

In the passing department, Jimmy Ferguson connected on 6 of 11 passes for 89 yards. Pearce completed one of 10 for 15 yards and a touchdown. He had four intercepted. Overman tried two unsuccessful passes. Linebacker Larry Simpson, playing defense only because of his bad knee, was outstanding for the Pipers making several key stops to kill Lobo drives.

The first Piper score came on their first possession of the

Hamlin	6	7	0	0	13
Cisco	0	0	0	6	6

ball after forcing the Lobos to punt. They drove 65 yards in 13 plays with Pearce going around his right end for the three yards for the tally. Rupert Compton's kick for the point after was wide to the right.

The Pipers drove 60 yards for their second score with Pearce passing to James Ledbetter for 15 yards and a touchdown. Compton split the uprights to make it 13-0 for the Pipers.

Cisco's lone tally came in the final period when they intercepted a Hamlin pass and returned it to the Piper 47. Four plays later Bobby Smith pass-

ed to Nicky Lopez for 35 yards and the score. Their kick was wide.

Cisco took the opening kickoff and moved the ball 11 yards in six plays before punting to the Pipers.

Moving from their 35 the Pipers sent Allen Cumbie into the line for 1 and then Pearce ripped off 12. Pearce carried again for 5 and Hamlin picked up a first down on the Lobo 42 when Cisco drew a five yard penalty. Pearce missed on a pass and Ferguson connected with Shivers for a play good for 27 yards to the 15. Overman carried for 3, Pearce for 2, but then a five yard penalty put the Pipers back where they started from. On third down and needing 15, Ferguson passed to Ledbetter for 9 yards and Pearce picked up the first down just inches short of the goal. The Pipers drew a five yard penalty again. Pearce gained 1, Cumbie 2, and then Pearce went around his right end for the score.

Cisco returned the kickoff to their 43 and drove to the Piper 30 in 10 plays before giving up the ball on downs. After five plays the Pipers punted with Cisco taking over on their own 22.

Two dead ball fouls and an incomplete pass forced Cisco to punt from their own 10.

The Pipers took over at the Lobo 40 and Pearce gained 3, Overman 6, and Pearce 1 for a first down. Ferguson kept for 8 and Cisco was penalized 15 yards and Hamlin 5. Operating from their 15, Ferguson tried a pass. Overman was stopped for no gain and Ferguson passed incomplete again. Facing fourth down, Pearce went back to pass and was chased all over the field before he found Ledbetter in the open. The scoring play was good for 15 yards.

Neither team could get a drive going during the remainder of the first half.

The Pipers opened up the second half with a drive that carried them to the Lobo 9 before Cisco intercepted a pass by Pearce intended for Mike Shivers in the end zone. Shivers and the defender both had their hands on the ball but the Cisco moved from the 20 down to the Piper 15 yard line.

Cisco moved from the 20. From this point the Lobos were facing fourth down and needing 2 when the Pipers threw their quarterback for a 10 yard loss back to the 25.

After this Hamlin punted. Cisco fumbled and Hamlin lost the ball in an interception with neither team making any headway.

Taking over on the Hamlin 47 following the interception.

Air Condition Your Home Now...

Right now, during our "off season" we can, quite frankly, afford to figure your job with an especially fine pencil. We need low profit work to keep our valuable trained crews together. So this is an especially good time for you to call us for an estimate.

As a further incentive we can pass along to you a wonderful bargain made available to us by Carrier—a fine Carrier food freezer that normally sells for \$149.50, free with every residential air conditioning system ordered now.

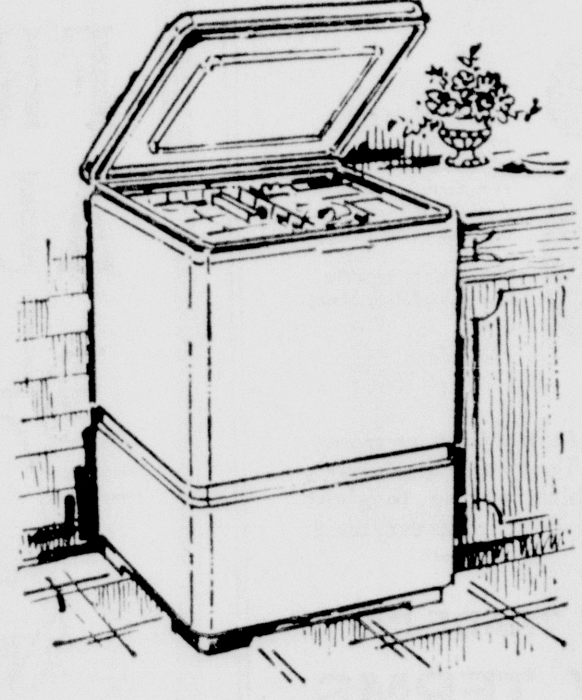

Fabulous Off Season Bonus

FREE FOOD FREEZER

A compact, 4.5 cubic foot Carrier countertop freezer can bring you kitchen convenience to go with your kitchen comfort.

How can we make such an offer:

1. Off-season business which keeps our installation crews busy is especially valuable to us. We're willing to make special concessions.
2. The Frostmaster Division of Carrier makes these freezers by the thousands. We can buy them at a special low price in carload lots.
3. Carrier and our distributor are sharing in the cost of the freezer because they like off-season business, too.

No money down • Easy terms

Kathy Ponder Elected President Cheerful Bluebirds

The Cheerful Bluebirds met at the Hut Thursday, Oct. 15, and elected the following officers: Kathy Ponder, president; Georgia Deaton, vice president; Nancy Thompson, secretary; Paula Herrera, treasurer; Denise Preiss, reporter; Carla Stanford, song leader and Sharon Embrey, Hut keeper.

The social committee is composed of Suzy Harmon, Gayla Walton and Debra Woolf.

Carolyn Stanford, Vickie West and Sharon May are on the telephone committee.

The girls are now preparing for a fly-up ceremonial to be

held in the near future.

Mrs. Miller Harman, leader, and Mrs. George Deaton, assistant leader, are assisted by Mrs. Horace Driver and Mrs. A. V. Nienast.

Xi Gamma Pi Meets With Mrs. Carlton

Xi Gamma Pi Chapter of Beta Sigma Phi met with Mrs. Weldon Carlton Oct. 8 at 4 p.m. Mrs. Clifford Reynolds Jr. gave the program on "The Sense of Taste."

Coffee and cake was served to 12 members.

The next meeting will be in the home of Mrs. Howard Mehaffey, Oct. 22, at 4 p.m.

PIPER PATT—

Piper Stage Band Opens New Season With Show Here Monday

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

ON TO VICTORY! After a successful battle against the Cisco Lobos, the Pipers are anxiously awaiting the game against the Haskell Indians. With their injuries still not entirely healed, the Pipers will journey to the Indian Stadium to seek their first district victory. So, let's all go to Haskell Friday night and back our Pipers.

Striving for a successful new year, the Piper Stage Band began a new season by providing entertainment for the Jones County Teachers' Association Meeting held Monday night in the H. H. S. Auditorium. A variety of tunes were presented highlighted by "Sugar Blues" which featured a solo by Mr. Tim Jones, director. Though a considerable number of the members graduated last year, the stage band is working and aiming toward an eventful year. The members are: saxophones—Carolyn Reynolds, Mary Margaret Turner, Jack Townley Jr., Reba Jackson, and Marolyn Reynolds; trombones—Gary Cauble, Randy Smith, Dennis Weaver, and Sammy Ferguson; trumpets—John Osbourne, James Knable, Joe Adams, Randy George, and Marie Young; drums—David Drummond; piano—Markaret Ann Johnson; guitar—Cliff Sharer; and flute—Mary Lois Patterson.

Denice Tugwell Elected President Smiling Blue Birds

Denice Tugwell was elected president of the Smiling Bluebirds at their meeting Oct. 13, at the Hut. Other officers include Rita Casey, secretary; Lisa Walker, reporter; Debbie Hix and Sonja Williams, clean-up.

Others present were Donna Sarly, Lynda Harrison, Kimi Mehaffey, Vickie Ponder, Jacques Preiss, Rebecca Server, Kathy Smith, and Debra St. Clair.

Mrs. Bill Early and Mrs. C. H. Tugwell are leaders.

THE HAMLIN HERALD

New Twist for Old-Fashioned Cake

There's nothing like the wonderful old-fashioned aroma of a baking applesauce cake! This new recipe is one guaranteed to please not only with its baking-time fragrance, but also with its eating flavor. Tops for flavor combination is this banana frosting. Cream 1/2 cup softened butter with 1/2 teaspoon salt. Blend in 1 medium ripe banana, mashed; then add about a pound of sifted confectioners' sugar, a little at a time. Beat well.

APPLESAUCE RAISIN CAKE

2 cups sifted Swans Down Cake Flour
2 teaspoons double-acting baking powder
1/2 teaspoon salt
1/2 teaspoon baking soda
1/2 teaspoon ground cinnamon
1/2 teaspoon ground cloves
1/2 teaspoon ground allspice
1 cup granulated sugar
1 cup vegetable shortening (at room temperature)
1 cup canned applesauce
1/2 cup eggs
1/2 cup cut dark seedless raisins
1/2 cup chopped pecans
Banana Butter Frosting
Sift flour with baking powder, salt, soda, spices, and sugar. Stir shortening just to soften. Add dry ingredients, half of applesauce, the vanilla, and eggs. Mix until all flour is dampened.

Then beat 2 minutes at a medium speed of electric mixer or 300 vigorous strokes by hand. Add remaining sauce, raisins and nuts and beat 1 minute longer in mixer or 150 strokes by hand.

Pour batter into 9-inch square pan lined on bottom with paper. Bake at 350° for 45 to 50 minutes.

Cool cake and frost with Banana Butter Frosting. If desired, decorate with sliced bananas and thin strips of orange or lemon peel.

REMEMBER WHEN?

"Oh brother, is this contraption ever a monstrosity! Can you imagine finding space to put one of these, or even actually using it? This old 1901 Peck-Williamson water-heating stove and clothes dryer can't hold a candle to the modern, automatic, flameless electric clothes washers and dryers. Besides being completely automatic and flameless, they save so much time and energy. The electric dryer alone saves 3 hours weekly of the housewife's valuable time which she can spend with her family and clothes come out so soft, fluffy, and easy to iron, there's no telling how much time is saved just on the ironing board.

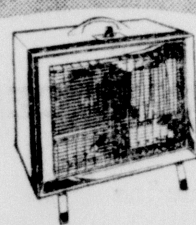

Sixty-three years sure makes a lot of difference. Visit your electric appliance dealer or the nearest WTU office."

Double Feature Attraction to End Annual Prison Rodeo Sunday

HUNTSVILLE — A double feature attraction, plus the best in convict contests will highlight the closing performance of the 33rd Annual Texas Prison Rodeo here Sunday, Oct. 25 at 2 p.m. in the prison's 30,000 seat stadium.

The world's wildest and most unusual rodeo gets underway with an event seldom staged in outside rodeos — the Mad Scramble. This hair raising features ten tough convict cowboys on ten wild Brahman bulls, released simultaneously from ten chutes. Winner must ride to the far end of the arena, and with the size of the prison arena a lot can, and usually does, happen before the ride is over. Other events include saddle-bronc riding, bareback bronc riding, bull riding chariot races.

Two Prison Rodeo "Specials" that have proved to be crowd pleasers are Calf Tussle — 80 men and 40 calves loose in the arena at the same time. In two-man teams, the cowboys will try to wrestle their calf (if you call a 400-lb. critter a calf!) across the finish line for top money. Hard Money — A bull durham with \$50 inside is tied to an enraged Brahman Bull's horns. The object is for the cowboys to wrestle the money away from the uncooperative bull.

Jimmy Dean, nationally-famous country singing personality will make a personal appearance, as will the ever popular musical comedy team of the Harmonica Rascals. Inmate entertainment groups will be featured, including the Goree Girls

from the women's unit of the TDC. In addition there will be trick riding by Ted & Betty Lamb, Maureen Moon, Connie Griffith, Billy Keen and Bill Garsee — plus the Sam Houston Mounted Quadrille.

Net proceeds from rodeo ticket sales are placed in the inmates educational and recreational fund, which makes it possible to furnish rehabilitative services not allocated by the state.

Reserved seat tickets for the final performance may be obtained by writing Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order. Tickets are \$2.40; \$3.75 and \$4.40 each, tax included.

Mr. and Mrs. Andrew Lopez of Stamford are the parents of a girl born Oct. 14 at 9:12 a.m. She weighed 8 lbs. 8 oz. and is named Caroline.

Rich pasture land yields about 700 pounds of cattle or sheep per year.

Neinda Philosopher Wonders if Voters, Like Candidates, Will Be Asked for Financial Statements

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1, tackles the Presidential candidates' financial statement problem in his letter this week.

Dear editor:

As I understand it, it's not a Constitutional requirement, it's just a new fad, but Presidential candidates are now publishing financial statements and we have now heard from all them, none of whom is living in what you'd call a poverty pocket.

What I'm wondering is if the thing will spread and voters will be expected to publish their financial statements before voting?

If so, there's one point I'd like to get over. I notice that

there is considerable argument over the kinds of financial statements the Presidential and Vice Presidential candidates have published. Some are using figures based on what their holdings cost, others on what they could be sold for now.

This has brought on an argument, with one side arguing what something cost is no basis for determining what it's worth now. "That's no way to reflect your financial standing," they argue. "Publish the true current figures."

Well, now, technically I I guess maybe they're right, but let's not go overboard about it. There are times when a cost basis is better than a sales basis.

For example, take my 1946

model tractor. It'd show up a lot better on a financial statement at its cost when new 18 years ago than its current market value, which I estimate is around \$135, if I could get all four tires to stay up long enough at the same time to get it to town for an appraisal.

The current market value, you see, is not always the best basis for making a financial statement, but on the other hand, lots of times it can be fine for tax assessing purposes. A man who doesn't know whether he's making out a financial statement to the bank or a tax report to the assessor, he's in bad shape to start with. I'm not saying this is the way it ought to be, only the way it is.

J. A.

"How could a date have seemed so important?"

When your mind's not on your driving, you're dangerous! Your car can't think. That's your department—the driver's. So think about this. When your mind is on anything else but your driving, anything can happen—including an accident! Last year, nearly 37,000 Americans died on our highways. Many might still be alive if they or others had kept their minds on the road. Driving demands your full attention, so stay alert—and stay alive!

Where traffic laws are strictly enforced, deaths go DOWN!

ADVERTISEMENT FOR BIDS ON J. M. STUBBS FARM LAND

SEALED WRITTEN BIDS addressed to J. C. Turner, Independent Executor, Box 215, Hamlin, Texas, will be accepted for the purchase of the following described property in Jones County, Texas, commonly known as the J. M. Stubbs Farm and described as follows:

TRACT NO. ONE: 110.2 out of Section No. 153, BBB&C Ry. Co. land in Jones County, Texas, as described in deed from L. E. Littleton, et ux to J. M. Stubbs dated April 20th, 1938 and recorded in volume 221 on page 600 of the Deed Records of Jones County, Texas. No improvements located upon this tract.

TRACT NO. TWO: 163.8 acres out of Section No. 156, BBB&C Ry. Co. land in Jones County, Texas, as described in deed from L. T. Malone, et ux to J. M. Stubbs dated December 9th, 1924 recorded in volume 131 on page 54 of the Deed Records of Jones County, Texas. Dwelling and Barn located upon this tract.

Bids will be accepted on either Tract One or Tract Two, above, as a single purchase unit or jointly upon both Tract One and Tract Two, above. The Stubbs Estate is vested with full and complete ownership of all the surface estate and mineral estate of the hereinabove described tracts of land and the entire surface and mineral estate of both tracts are to be sold FOR ALL CASH AND NO CREDIT WILL BE EXTENDED. None of the furniture or fixtures located in the dwelling located upon the said tract two (2) above will be sold under this bid advertisement. The undersigned executor will work with any purchaser which the executor elects to obtain a loan upon said property to pay the cash price to the said undersigned executor.

The undersigned executor agrees to furnish complete abstract to said property and agrees to furnish good and marketable title to said property, which shall be conveyed free and clear of any and all encumbrances.

All crop allotments assigned unto said land must be checked by bidder at the Agricultural Stabilization and Conservation Office, Anson, Texas.

J. C. Turner, Independent Executor, RESERVES the right to REJECT any and all bids and to waive informalities and further reserves the right to negotiate with any bidder.

NOTWITHSTANDING any provision to the contrary herein, it is expressly stated that this advertisement for bids will not be considered an offer to sell the above described property to any bidder but only a privilege granted to any bidder who may desire to submit a written bid for the purchase of the above described property. Any sale of said property shall be under proper escrow contract agreement expressly agreed to with the buyer and the undersigned executor. This privilege is given due to the great interest shown in the community to purchase the above described property, and the undersigned executor will sell the above described property.

SUBJECT to the right reserved to reject any bid, at anytime, such bids will be accepted until December 1st, 1964; provided that the undersigned executor reserves the right to stop accepting bids at any date before the termination of the heretofore shown date.

No bid will be returned and no verbal bid will be accepted.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — An increase of \$107,000,000 in state expenditures for higher education and doubling tuitions in state colleges and universities is proposed.

Texas Commission on Higher Education recommends a \$457,100,000 budget for upper level institutions during the 1965-67 biennium. Figure includes \$307,500,000 for 22 state-supported senior colleges and universities.

Tuitions under the Commission's recommendation would be hiked from \$50 to \$100 a semester. Last increase was in 1957, when the rate was raised from \$25. If the Legislature approves this hike, revenues would be boosted \$33,000,000—leaving some \$74,000,000 more needed from tax funds.

Overall budget increase of 45.2 per cent would permit a 23 per cent faculty salary raise. Previously, the Commission had asked a \$5,900,000 supplemental appropriation for faculty salaries.

Commission also recommended "phasing out" Texas South-

ern University's law school.

CONNALLY GETS NEW JOB
Gov. John Connally returned from the Southern Governors' Conference in San Antonio with a new honor and a new assignment.

Already chairman of the National Democratic Governors' Caucus, he was unanimously elected chairman of the Southern Conference of chief executives.

In a three-day session, the governors discussed a variety of state problems and adopted 14 resolutions. Among the latter was one urging a federal constitutional amendment to permit states to take other factors than population into consideration in reapportioning their senates. Resolution was aimed at nullifying a U. S. Supreme Court decision ordering both houses of state legislatures apportioned on the basis of population alone.

Three governors blocked action on Alabama Gov. George Wallace's resolution calling on the federal government to leave operation of public schools entirely in the hands of states.

TEXAS BIDS FOR NATIONAL CONVENTION
State Democratic Committee has authorized Chairman Marvin Watson of Danglefield to enter a bid for the 1968 Democratic Convention in Texas.

Watson will name a committee to consider possible host cities.

COURTS SPEAK
Court of Criminal Appeals ordered a new trial for a man convicted of murder, because his attorney filed an appeal after the deadline. Court heard argument that the trial attorney for the defendant lacked sufficient experience.

Third Court of Civil Appeals heard pleas that the new state loan shark law was applied unconstitutionally in an Austin district court. Court had ordered package store owner E. L. Parker to stop lending money at rates over 10 per cent without a license.

State Supreme Court upheld an appellate court's "time is of the essence" ruling in deciding the contract between Concord Oil Company of San Antonio and Alco Oil and Gas of Illinois. Court said termination of the contract by letter held precedence over a telephone promise to "wait and see".

TEXTBOOK PROTESTS AIRED
Witnesses protesting adoption of three high school biology textbooks charged that evolution is an atheistic, unscientific and materialistic theory that should not be taught in public schools.

State Textbook Committee took protests into consideration after a public hearing. Actually, eight books on the list were opposed. Principal targets were the three books developed by the National Science Foundation.

OIL PRODUCTION FIGURE SET
Texas Railroad Commission set oil production for November at 28.4 per cent of potential.

Figure represents a slight increase over October, which was limited to 2,860,000 barrels daily under a 27.9 per cent of potential order.

MENTAL HEALTH PLAN COMPLETED
A statewide citizens committee has approved a new program of mental health services.

Earlier, a steering committee had recommended creation of a single agency — Texas Department of Mental Health — to administer state-financed mental health services, including all mental hospital facilities.

Missing pieces in the Texas

plan included facilities, financing and administration.

Hale County Judge C. L. Abernathy, chairman of the 112-member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Governor Connally and the 59th Legislature.

PARK LAND ACQUISITION URGED
Parks and Wildlife Commission Chairman Will Odom said Texas may lose up to a third of its park land during the next 80 years because leases are expiring.

Odom called for a program of land acquisition to prevent loss of needed acreage when he spoke at the State Conservation Conference.

Earlier, he had lauded Gulf States Marine Commission for efforts to develop the fishing industry and bring sea resources to the public for general benefit.

WATER NEEDS TALKED
Atty. Gen. Waggoner Carr told Texas Water Conservation Association all units of government must work with private enterprise and individuals to assure a water supply adequate to meet Texas' needs.

Brig. Gen. R. H. Free, commander of U. S. Army Engineers, said Texas must have an overall program of water development.

SCREWORM BATTLE BIG SUCCESS
The Screwworm eradication program, which was conceived by individual livestock producers in Texas and later embraced by State and Federal animal health authorities, now is such a big success that only 102 cases of screwworm infestation have been reported in Texas this year compared to 3,000 by this time in 1963, and 50,000 cases in the last half of 1962.

According to Dr. Seymour J. Smith, State supervisor for the sterile screwworm plant in Mission, the picture is even brighter than those figures indicate because reporting of cases by farmers and ranchers has improved more than 100 per cent.

EMPLOYMENT UP
Employment statistics from the Texas Employment Commission shows a big increase in August. There were 3,322,300 jobholders in the non-farm category in July, compared with 3,325,600 in August. More significant was a drop in unemployment: 152,500 were looking for work in August, compared to 159,500 in July, and 174,500 in August of 1963.

COMMITTEE ON AGING PROPOSAL
Governor's Committee on Aging, chaired by State Senator Walter H. Richter of Gonzales,

plan included facilities, financing and administration.

Hale County Judge C. L. Abernathy, chairman of the 112-member general planning committee, said efforts will be stepped up between now and next January to inform the public and officials about the recommendations which will be submitted to Governor Connally and the 59th Legislature.

PARK LAND ACQUISITION URGED

DAMASCUS WAS PAGAN, CHRISTIAN, NOW MOSLEM

By Hulin Fowler
Editor's Note: Fourth in a series of articles describing Mr. Fowler's experiences in the Bible Lands. Write to him in care of this newspaper for answers to your travel questions.

We were at last on the road to Damascus.

Leaving Lebanon, we came down out of the mountains onto a flat plain. In the distance we could see the Lebanese border station and, facing it across perhaps half mile of "no man's land," the small Syrian station.

There was something sinister about Syria, a feeling we somehow never escaped. Yet we were treated courteously by the border guards as well as other Syrians we met.

Damascus, a metropolis of over half a million people, is said to be the oldest continually inhabited city in the world, dating back some 6,000 years. In a

bout 1918 B. C. Abram pursued Lot's captors into Hobab, near Damascus (Gen. 14.) Around 1040 B. C. David slew 22,000 "Syrians of Damascus" and put a garrison in the city. Almost 1,100 years later, Paul was converted here and Damascus became Christians en masse.

Damascus today still has parts of the ancient walls that surround the city for centuries. The streets are cobblestoned, many covered by picturesque round tin roofs to ward off the sun which at times can be quite intense.

Crowds in the streets are re-swarthy people, vociferous and robed. Ancient taxis honk incessantly, their drivers apparently caring little for the lives of pedestrians.

The city is divided into almost a score of quarters of which the "Christian Quarter," called Bab Touma by the Syr-

ians, contains many of the historical scenes of early Christianity.

We saw Ananias' house where in about 38 A. D. Paul had his sight restored after losing it on the road to Damascus. We also walked the Street Called Straight, where Ananias first encountered the blind Paul. The street is narrow and cobblestoned but still one of the important thoroughfares of the city, running through the Grand Bazaar and connecting the East and West Gates.

The Syrians, being mostly of the Moslem faith, show little interest in the Biblical landmarks about them. It seems that only the guides, who have something to gain from this knowledge, are cognizant of these facts, while others live in the very shadow of famed Biblical landmarks, quite unaware of their significance.

For example, Paul's window, from which the apostle escaped from the Jews, stands apparently as it has for centuries, unattended and unheralded by signs or other identification. It was easy to see why the disciples had to lower the apostle in a

basket for the window is a narrow slit in a wall high off the ground.

A Mohammedan stronghold, Damascus has one of the finest mosques in the world. I was particularly impressed by this magnificent Mosque of Omayyad, which historians say was successively a pagan temple, synagogue, church and finally a mosque. It is said that John the Baptist's head is buried within the fine marble walls.

We had a choice of taking off our shoes before entering the mosque or putting on a pair of elastic padded leather shoe covers ("babouches"). Inside, the floor was covered with fine Persian style carpets, one of which had been donated by the Shah of Iran. The carpets are never removed. When one becomes worn out and soiled another new one is simply placed over it.

Aside from its religious and historical significance, Damascus has a lot to offer the tourist, one being the many "factories" — actually shops — where the tourist can purchase handmade copper, brass and silver articles, brocades, and mother-

of-pearl inlaid wood furniture. It was here that I purchased, for about \$50, a small chest made of highly aromatic wood with mosaic inlay.

I had it shipped home and have never regretted the purchase. Somehow, I derive a particular satisfaction from knowing it came from the oldest continuously inhabited city on the world, one of the seats of early Christianity.

Several Boys Earn A's in Agriculture

The boys of F. F. A. were very happy to be through with the first six weeks of school. After this first period the grades were as follows. Those making an "A" in agriculture were J. R. Binnicker, Horman Jones, Robert Moore, Robert Pearce, Raul Solis, Augustin Barron, Rupert Compton, and Johnny Flowers.

Taking the average of all subjects, all "A's" were made by Jimmy Hawkins. The "A" av-

FAIRVIEW NEWS

By MRS. ELMER JOINER

Sunday looked like winter might have been arriving early, after summer had returned again, but just a small amount of rain and nice, cool, weather is all that remains this Monday morning, of the dark, dreary day that we had Sunday.

Several from our church attended the Associational Meeting held in the Lueders Baptist Church, last Thursday and Thursday night. Rev. Leverett, Mr. and Mrs. Woodrow Goodwin, Mr. and Mrs. Winson Gray, attended the business meeting that afternoon. Going for the night services and supper, were Mrs. Leverett and girls, Mrs.

Fred Rosenbaum and Mrs. Elmer Joiner.

The Winson Grays had all of their children home over the weekend, making a pretty good houseful, now having four grandchildren. All of them were in church Sunday with them. They are, Mr. and Mrs. Marvin Johnson, Bruce and Barry, Amarillo, Mr. and Mrs. Doll Bills, Jana and Tonya, Houston, and Dorothy Gray, also of Amarillo.

This reporter went to the State, Home Demonstration Club last Wednesday to give a report of the state meeting held in Houston. This is the small obligation we have to show our appreciation for getting the trip, is to make a report to the clubs of the county, having divided them up among those that attended.

The Goodwin's house is fast taking shape now, the walls and part of the roof having been put up, before the weekend. It gives us all something to go look at, as our little bunch in our community, that have all been together so long, are just like one big family and what

concerns one, concerns us all.

We are sorry to learn that Mrs. Buck Richie, the former Catherine Drake, who now lives in Tulsa, Oklahoma, is in the hospital at that place. Mrs. Richie had a foot amputated some time ago and recently had a big toe amputated, on the other foot, and now has an infection where the surgery was done. She is a diabetic, is the reason she has trouble with infections.

Mr. Terry Holmes and son, Andy, visited Sunday morning with his brother, Mr. and Mrs. Flavil Holmes, enroute home to Odessa, after visiting with his mother, Mrs. Alma Holmes, in Abilene.

Mrs. Johnie Agnew and Mrs. Elmer Joiner went to Abilene, last Tuesday afternoon, to see Mrs. Lois Hampton, in the Crestview Home. Mrs. Hampton remains in about the same condition.

Mrs. Jimmy Joiner Jeannie and Ronald, came over from Stamford, Friday afternoon to visit with Jimmy, who is building the Goodwin house, and spending most of the week at Hamlin. They spent Friday night with the Elmer Joiners and Saturday with her parents, Mr. and Mrs. Bailey Meeks.

Mrs. Monroe Potter, Anson, spent Friday night with the Drake family. Mrs. Potter is the former Mrs. Levi Bush, old time resident of this community. Mr. Potter passed away last year, in Anson.

Sunday visitors of the Drakes were Mr. and Mrs. J. S. Scott, coming from Albany.

Mr. and Mrs. Jack Wright and children, spent Sunday with her parents, Mr. and Mrs. Flavil Holmes.

Our annual pests are back in great numbers, in the church house. As of Saturday, the wasps came in great swarms, trying to find a warm place to spend the winter.

Work is progressing on the remodeling of our upstairs area, in the church. We hope to have the kitchen and fellowship hall ready by the last of the month, to have family night. We are all as pleased as a child with a new toy, over getting it fixed.

Saturday afternoon, Rev. and Mrs. Leverett, Mr. and Mrs. H. L. Ford, met at the church and worked, went to the Ford's and had supper, returning later to work some more. As of this afternoon the men are meeting to work on the project some more.

Mr. and Mrs. Victor Lopez of Crystal City are the parents of a son born Oct. 14 at 7:30 p.m. Victor weighed in at 8 lbs. 12 oz.

Mr. and Mrs. Louie Lechuga are the parents of a girl born Oct. 15 at 8:15. She was named Alecia and weighed 5 lbs. 12 oz.

NORMAN THOMAS FINDS A NEW HOME

Norman Thomas, six times the candidate of the Socialist party for President, has announced that he is voting for Johnson and Humphrey.

He finds that the Democratic party offers a haven in which he will feel perfectly at home.

In fact, the Democrats have taken over so much of the doctrine of the Socialists that the Socialist party no longer finds it necessary to run anybody for President.

For some years Mr. Thomas has been speaking increasingly warmly of the Democrats, for they are living up to the prediction he once made:

"The American people will never knowingly adopt socialism, but under the name of liberalism they will adopt every fragment of the socialist program until one day America will be a socialist nation without knowing how it happened."

This year Thomas finds in the Democrats just about all that he ever sought.

Johnson's "war on poverty is a socialistic approach."

Hubert Humphrey would have been his first choice for President on the Democratic ticket, for Humphrey is "the type of Democrat I like and one who would be a Socialist if he got to England."

But Thomas is willing to settle for second best: Humphrey is the Democratic candidate for Vice President, and if elected, would be a heartbeat away from the big job, held by a man who has had one massive heart attack.

So it's coming up roses for Norman.

The Democrats are making his dream of a socialized United States come true—Chicago Tribune.
